INSPECTOR IN HIDEOUT—Sheriff's Inspector William Bradley peers from Santa Venetia treehouse in which he hid yesterday to nab two boys, leading to roundup of gang of seven who have been looting Blessed Sacrament School. The tree house was built of stolen material and filled with stolen goods, he said. (Independent-Journal photo)

## Cache Of Stolen Goods Found In Treehouse

A crackdown on secluded treehouses being used as dens of "gambling, drinking, smoking and pornographic magazines" was announced today by Sheriff Louis P. Mountanos after capture of seven Santa Venetia youngsters and a tree fort cache of stolen goods.

**The boys, aged 10 through 15, were booked on charges of burglary and receiving stolen property, and were released to their parents.**

Sheriff's Inspector William C. Bradley said the boys admitted stealing lumber and school supplies from the Blessed Sacrament School at 160 North San Pedro Road, Santa Venetia.

Crouching in their treehouse in the canyon behind the school, Bradley waited for the boys yesterday.

Hidden in and around the wooden shack were the goods reported stolen from the school and priest's house. They included: Eight pounds of drawing paper 86 rulers, 500 sheets of lined paper, three boxes of pencils, 52 boxes of crayons, three rolls of cellophane tape three scratch pads, a stapler, a box of steel pins, miscellaneous nails and a hasp and hinge.

**Two boys wandered up to the treehouse and peered in. They spied Bradley and started to run. He grabbed both of them.**

They confessed breaking into the school several times during the last two weeks and implicated five other youths in the activities.

**The gang members — two 10-year-old twins, their brother, 13, two other brothers, 11 and 15, and two other boys aged 10 and 14—were rounded up and ordered to appear at the probation office on Aug. 10.**

Bradley said the boys had taken lumber and carpenters' tools from the under-construction priest's house to build their fort.

The twins' parents are cooperating with the sheriff's department in tearing down the treehouse. They were shocked at their sons' activities, Bradley said.

Sheriff Mountanos asked the cooperation of all parents in locating and closing down backwoods treehouses and forts.

He said adequate adult supervision, preferably by parents is needed for all tree club houses.

Bradley said beer cans, cigarettes and literature unfit for juveniles has been found scattered about these isolated clubhouses.

## GOP Rights Bill Set To Dare Demos

WASHINGTON (UPI) — Two New York Republicans said today they will introduce a bill next week embodying the Democratic civil rights plank so the Democrats can make good on their party platform promises. The move was announced by Sen. Kenneth B. Keating and Rep. William E. Miller.

Keating and Miller, making clear they hoped to embarrass their political opposition, said in a statement that their bill will encompass "every one" of the Democrats' civil rights pledges.

The Democratic plank called for an end of segregation in virtually all phases of American life.

## Sausalito Rejects Petition, Will Buy Shelter Cove Lots

### Meeting Room Packed As Council Hears Debating For 90 Minutes

By BRUCE COLEMAN

Sausalito will continue with its purchase of Shelter Cove lots, and is dickering to buy five more underwater lots in the area.

The City Council last night tabled a referendum petition signed by 422 registered voters who had asked that the purchase be repealed or brought before the people for a vote.

**The council voted to table 4-0 with councilman George E. Keeney — who abstained on the original vote to purchase the lots — again abstaining.**

Tabling was based on City Atty. John B. Ehlen's opinion that purchase of the property does not constitute a legislative act and therefore is not subject to the referendary process. Ehlen said this was an executive or administrative act.

**The city council chamber was packed, with people standing in both doorways, during 90 minutes of give-and-take on the subject. Applause rang out after every person spoke for the purchase.**

Several spoke supporting the referendum petition.

Russell Reagan said he opposed the method in which the cove lots were acquired, and "we can't afford it."

Samuel S. Bloom said he signed the petition because he felt the citizens should know what they are getting for their money and he doesn't think they do. He added that the city needs money for fire protection.

Another referendum supporter, Russell Pappenhousen, said, "We need a new civic hall, a new civic center . . . and a new police station immediately."

**Speaking for the purchase was Byron Mayo, representing the Sausalito Citizens Council. Mayo said the largest number of votes cast in the April municipal election were for candidates who favored acquisition of such waterfront lands.**

George Sugarman said there had been months of deliberation over the purchase. He said some who opposed it would like the city to get the lots by rezoning. The city "did not have the right to confiscate the property this way," he declared.

Councilman Keeney said the city could have set regulations such as demanding that the underwater streets be paved and then "no one could build on the property." He also said the property cannot be used for recreation purposes.

"What are we going to do with it?" he asked, and answered, "Let it sit."

**The other four councilmen spoke favoring acquisition.**

**Councilman Marjory Brady said: "The waterfront is like the goose that lays the golden egg. Our sales tax revenues show how attractive we are to outsiders. If we destroy that attractiveness, it will be the business in the center of town that will suffer, not just those which are around the area of discussion. We have a priceless asset here and it belongs to all of us."**

Councilman Michael Harris said: "I think the referendum is a nuisance devoted to going backwards rather than forwards. I would love to fight on that issue if I had to fight on some issue."

Mayor Philip S. Ehrlich Jr. said, "The referendum was held last April when the vote occurred." He said this was the principal issue involved in the campaign for council elections and the three men who were elected stood squarely for purchasing the cove.

**Ehrlich disclosed that negotiations have been going on between city council members and Walter L. Benson of Views Land Co. for purchase of five underwater lots. Benson is asking $44,000. Ehrlich said if the lots cannot be**

## Belvedere Cuts Taxes; Total Bill About Same

Belvedere will cut its tax rate by 35 cents for fiscal 1960-61, but the amount of taxes in dollars and cents will be virtually the same as last year.

The Belvedere City Council last night adopted a tax rate of $1.65 per $100 assessed valuation, to finance a budget of $137,480 submitted by City Manager Britton Rey.

Last year's tax rate was $2, with a budget total of $134,445.

Rey said increase in assessed valuations of Belvedere property made possible the lower tax rate to finance a slightly larger budget. When translated into dollars and cents, the city's tax bills will be virtually the same as last year, he observed.

The council also adopted an ordinance calling for a $450,000 bond issue election Sept. 13, to finance Belvedere's share of enlargement of the Tiburon Sanitary District's sewage treatment facilities. The date had been set previously but an ordinance was necessary to fulfill legal requirements.

The $1.65 tax rate will include $1.13 for general fund, 25 cents for sanitation, 17 cents for retirement of 1948 bonds and 10 cents for retirement of 1957 bonds, Rey said.

### Premier In Katanga Mobilizes Troops

ELISABETHSVILLE, Katanga (UPI)—Katanga Premier Moise Tshombe decreed a general mobilization of his armed forces today and warned the United Nations its troops would have to "fight their way" into his secessionist province of the Congo.

"I don't want U.N. troops in my country," Tshombe said in angry reaction to the announcement by Secretary-general Dag Hammarskjold that the U.N. would move troops into mineral-rich Katanga by the end of the week.

"I will oppose the arrival of U.N. forces on Katanga soil by force if necessary," said Tshombe, who declared Katanga's independence from the Congo government of Premier Patrice Lumumba shortly after it obtained independence. "We have decreed the general mobilization of armed forces."

In the Congo capital of Leopoldville, a U.N. spokesman confirmed the world organization was determined to send troops into the Katanga despite Tshombe's warning.

Tshombe, declaring that entry of U.N. troops would be an "act of aggression," made his announcement after an emergency cabinet meeting.

**CONGO SOLDIERS**

He did not say exactly what "armed forces" he would use but it was supposed he meant the still-armed remnants of the Congolese army on Katanga territory which he claimed to have re-organized some weeks ago.

Belgian sources said Tshombe's Katanga "armed forces" cannot be very strong. They said Tshombe has the allegiance of a few dozen gendarmes who have been acting only as his personal bodyguard since he proclaimed his province's independence.

The peace in Katanga has been kept by some 4,000 Belgian troops since the Congolese army revolt broke out early in July. The Belgians have said they will not oppose the U.N. troops.

**OTHER DEVELOPMENTS**

In other developments:

Hammarskjold postponed for the second time his departure from Leopoldville in the wake of Tshombe's threat of resistance.

Cabinet sources in Brussels said U.N. troops going into Katanga will be composed of units of the Swedish, Irish and Moroccan contingents.

An airlift continued flying Belgian troops out of the Congo for the second straight day. The troops being flown out of Leopoldville are young reservists

GEORGE F. WINN
Still missing

## Convict Walks Away From Quentin Ranch

A convict last night walked away from the San Quentin Prison ranch—located just outside the prison's walls — and was still missing today.

George Frederick Winn, 33, serving five years to life for robbery and assault with the intent to commit murder in 1954, was reported missing at a 10 p.m. count in the ranch dormitory, said Associate Warden Dale B. Frady.

**OVER FENCE**

Winn was last seen by officers at 9:25 p.m. He probably climbed a low wire fence that surrounds the ranch area, Frady conjectured.

Inmates of the ranch dormitory are all classified as minimum risks, explained Frady, and are not closely guarded.

Winn was a worker in the prison's detergent plant, outside the prison walls near the bay.

Winn was wearing blue prison dungarees.

**BLUE EYES**

He is five feet, 11 inches tall, weighs 188 pounds, has blue eyes, light brown, thinning hair and a ruddy complexion.

Winn was first committed to San Quentin in 1947 after being convicted of robbery in San Diego County.

In 1953 he was paroled, but was subsequently convicted in San Bernardino and Los Angeles Counties of the crimes for which he has been imprisoned for the last four years.

*OCT. 4 BALLOTING*

## $4 Million Novato School Vote Set

Novato School District voters will be asked Oct. 4 to approve a four million dollar, seven-year school construction program.

Voters will be asked to approve:

1. $1,500,000 in bonds for site purchase and construction of four elementary schools, site purchase and construction of an intermediate or junior high school, enlargement of Hill School and the high school and site purchase for a future high school.

**STATE LOAN**

2. $2,500,000 in state loan funds to supplement the bonds.

3. A continuation for an indefinite period, of the present maximum $3.23 operating tax.

Trustees last night agreed on a seven-year construction and planning program which Supt. W. J. J. Smith said may change during the period but will remain essentially the same.

The four elementary schools to be constructed will be planned for about 450 pupils each, and will be located in far west Novato, South Novato, in the Creitas Ranch area and the Indian Valley area.

The junior high school (seventh through ninth grade) or intermediate school (seventh and eighth) would be constructed for 900 pupils in northwest Novato.

**HILL SCHOOL CHANGE**

The present Hill Schol would be enlarged to take 900 students, from the present 600 capacity, and would be used as intermediate or junior high school. Special rooms, a classroom wing and multi-purpose room may be added.

The high school enlargement would bring capacity to 1,400 pupils from the present 870 capacity, to be reached this fall. A classroom wing, physical education and shop facilities would be added.

Purchase of the high school site for future construction would be in northwest Novato.

Site locations, pupil totals and projected district growth were the basis for the decision, with most of the figures coming from the recently revised University of California survey of the district, Smith said.

District voters have approved six bond elections in the past 12 years, totaling $1,465,000. Of that, $1,282,000 is outstanding.

Voters also will be asked to continue the present $3.23 general purpose tax rate limit for an indefinite period. The maximum rate will be used this year for the first time, for an estimated total tax rate of

## Castro Aide Asks Asylum

KEY WEST, Fla. -- A Cuban army major who drafted the military code under which Premier Fidel Castro executed more than 600 "war criminals" after the triumph of his revolution sought political asylum in the United States today.

Maj. Raul Chibas, a former top man in the Castro movement, arrived with his wife in a 17-foot boat late yesterday, and was immediately taken into custody by immigration authorities. He promptly disappeared from sight and it was assumed he was taken to Miami for formal questioning.

Chibas, a brother of the late Eduardo Chibas, founder of the Cuban People's Party, presided at the first so-called war crimes trials in Havana after the Jan. 1, 1959, triumph of the Castro revolution.

## Forest Knolls Homes Periled By Grass Fire

A moderate westerly wind whipped the flames of a two-acre brush fire to within a few feet of two homes in Forest Knolls yesterday afternoon.

The blaze started shortly before 1 p.m. off Aztec Avenue just west of Montezuma Road.

Before it was put under control by four Marin County fire truck crews from the Woodacre fire station, it swept west from Aztec Avenue, leaped Rosario Road, destroyed a fence and burned about 25 feet up the front yard of Kenneth Morton. Firemen stopped the flames about three feet from the front steps of the Morton house.

Next door to the Mortons, at the home of Mrs. Ada Mann, the blaze was halted at a fence only a few feet from her house.

Asst. Fire Chief Louis Bloom, who directed operations, said the fire, reported by a resident, was possibly caused by a discarded cigarette. He estimated the damage to the Morton fence at $150.

# 'Serious Deficiencies' Claimed In Sanitation

Marin County's sanitation program has "serious deficiencies," most of which can be corrected by additional trained personnel, the board of supervisors was told today.

"We are asking for an end to our austerity program in sanitation," Dr. Carolyn Albrecht, county health officer, declared.

Dr. Albrecht presented to the board an appraisal of the sanitation program and recommendations by William L. Desmond, director of sanitation.

"If you think we should do more, we need your help," she told the supervisors.

Desmond's report detailed what he said were serious deficiencies in the county's environmental sanitation program. Most, if not all, the deficiencies could be eliminated by the addition of sufficient trained personnel to the sanitation division of the health department, he said.

The report brought out these points:

1. Many food establishments in county are visited by a sanitarian only once every 24 months.

2. Routine checks of sewage treatment plants are being neglected because of insufficient personnel.

3. The county needs a food handler training course, increased emphasis on sanitation in the schools and a vigorous program of home accident prevention.

4. Limited staff has reduced to only token visits inspections of state and county beaches and parks.

5. It will not be possible to inspect as many as one-fifth of the public swimming pools this season.

6. Of the 12 or 14 small public water supply systems in the county, only a few are operating legally under permit. Limited manpower means only a token sampling program for these systems

7. The county lacks a vigorous and coordinated vector control program (flies, rodents, etc.) and no preventive work is being done.

8. A good housing inspection program could be initiated if there were adequate manpower to do so.

9. Development of an adequate garbage and trash disposal program is hampered by lack of effective ordinances.

10. The county has no industrial hygiene program.

Desmond pointed out that even after new positions are authorized, it takes months to recruit good men to sanitarian jobs. He suggested the recruitment problem would be lessened by increasing the salary range for staff sanitarians and establishing positions of senior and supervising sanitarians to provide opportunities for advancement.

# Terra Linda Seeks Annex Assurances

The Terra Linda Community Services District wants some assurances from the City of San Rafael as to what will be done regarding the district's property and functions if Terra Linda is annexed.

Exactly what assurances was left to director Jack Brandon, who introduced a resolution, passed unanimously by the community services district board last night, that "the Terra Linda Community Services District contact the City of San Rafael by letter in an effort to secure such information as is deemed necessary."

President Joseph A. Gunn III directed Brandon to write the letter. Brandon said he had several questions he wanted to put to the city council.

The four directors present did not discuss a replacement from director John P. Namle, who resigned recently.

# Woman Booked; Car Hit Sign

Margaret Elizabeth Wyman of Marin View Avenue, Mill Valley, was booked last night at the county jail on charges of hit-run and drunken driving and resisting arrest

Mill Valley police officer Carl E. Mead Jr. said Miss Wyman hit a one-way sign at 74 Corte Madera Avenue. When Mead forced her car to the curb at East Blithedale and Sycamore Avenues, Miss Wyman refused to get out and fell back onto the seat, he said. She then refused to get into the police car.

# Audubon President Says Highway Will Destroy Bird Nests

The nesting places of large numbers of ducks, egrets and herons will probably be destroyed if the proposed high speed highway is put through as contemplated in the Bolinas area, Dr. Martin L. Griffin, president of the Marin Audubon Society, said today.

Dr. Griffin said he and Mrs. Verna Dunshee conservation chairman, and William Pich field trip chairman of the society would protest the proposed new routing of State Highway 1. "Bolinas and the surrounding area is one of the richest areas in the U.S. for bird life," he said. "We feel the area's destiny lies in the field of recreation."

A hearing on the proposed rerouting of the highway will be held tomorrow at 2 p.m. in the Tamalpais Valley School.

Harold E. Nelson of 163 Tomales Street, Sausalito, last night reported the burglary of $14 worth of jewelry, 10 rolls of pennies, 21 packs of cigarettes and seven cans of beer from his home.

The burglars apparently entered through an unlocked door around 8 p.m., Nelson told sheriff's officers.

# Two Arraigned On Theft Charges

Richard O. Hamilton, 22, and Robert L. Johnson, 27, were arraigned yesterday on charges of grand theft in Marin County Municipal Court.

Both are charged with attempting to steal a boat and trailer from the Anchorage dock at 115 Third Street, San Rafael.

Hamilton, of 402 Leasure Lane, Novato, was found treading water in the canal last Saturday. Johnson, of 279 Bayside Acres, San Rafael, surrendered in court yesterday.

The arraignment was continued to August 8 for counsel and plea.

# Missing Agency Pair Still Sought In Cuba

WASHINGTON (UPI) — The search for two missing mathematicians from the top-secret National Security Agency centered still today on Havana, Cuba, amid speculation they might be trying to get out of the western hemisphere.

Informed sources said yesterday they were believed still in the Cuban capital, currently a hotbed of anti-Americanism, but reports from Havana said a check of leading hotels failed to locatet hem and the U.S. embassy said it had no information on their whereabouts.

Bernon F. Mitchell, 31, of Eureka, a one-time San Rafael resident, and another bachelor Navy veteran, William H. Martin, 29, of Ellensburg, Wash., dropped out of sight June 24.

Both men were cleared for access to secret information at the Defense Department's top inter-service intelligence agency. Informants here said neither man informed the agency of an intention to leave the country, although this is standard procedure for such employes.

They were traced to Mexico City, where a man who signed Mitchell's name and a male companion occupied a hotel room June 25 and 26.

# Trustees Set School Budget At $319,901

The Fairfax School District Board of Trustees last night adopted a $319,901 budget for the 1960-61 fiscal year.

The budget provides that 67 per cent of the district's income will be spent on instruction, said Supt. Homer L. Sisk.

Transportation and the purchase of library books will be eliminated, he said.

At the hearing citizens questioned the trustees as to their stand on a school tax increase election.

Citizen spokesmen pointed out that to continue the present level of education without more money would be impossible.

The board agreed, but trustees said they would like to hear from other residents of the district as to the advisability of holding a school-tax election with the general election in November.

Sisk said the board will provide an opportunity at its next regular meeting, Aug. 16 at Manor School, for citizens to express themselves in regard to a school tax increase.

"All concerned residents of the district are especially urged to attend this board meeting," said Sisk.

# City Budget Due Review In Larkspur

Larkspur city councilmen will meet at 8 o'clock tonight with a $10,000 budget problem sitting squarely before them: Should $10,000 be deleted from the 1960-61 budget or should it be met by reserve funds?

Up for consideration is a $290,577 budget proposed by City Manager Ronald E. Piper. It is predicated on a tax rate of $1.63 per $100 assessed valuation, the same as last year's rate. Piper said the $10,000 deficit in the proposed budget is covered by adequate reserves and "this amount of deficit spending will in no way alter . . . the general financial condition of the city."

Tonight's meeting will be held in the council chambers of the Larkspur City Hall.

# Escapee From Napa Hospital Captured

He had escaped on Sunday from the hospital. He offered no resistance.

# Construction Drops Off In Belvedere

Construction in Belvedere was down by about two-thirds last month as compared with July of last year, building inspector Britton Rey said today.

Total amount of money spent in Belvedere last month was $36,100. Last July, $101,535 was spent in building.

$4.10 per $100 assessed valuation.

Continuation of the maximum will mean an "austerity" budget, Smith said, but district trustees agreed to ask voters to continue the rate in hopes of law changes on state and federal levels which would bring more funds to the district.

Trustees approved a budget totaling $1,700,719 to be supported by the $4.10 rate. Smith noted that the budget does not include a considered across-the-board 3 per cent teacher pay raise and 3 per cent increase on the top of the schedule to make training and experience more valuable.

The raises will come if funds are available during the year, Smith said. But there also is $29,000 in the budget which may be cut if income does not come up to expectations.

# Construction Worth $296,390 Planned

Building permits valued at $296,390 were issued in Novato during July.

Included was a permit for a $100,000 chapel at Kendon Lane and Center Road to be built by the Church of Jesus Christ of Latter-Day Saints.

A building permit for a six-unit apartment building valued at $30,000, at 1307 Leafwood Drive, 10 permits for home construction, two home pool building permits, a patio cover, utility structure and remodeling permits rounded out the total.

## IT FELL ON PURPOSE, BUT WRONG WAY

Workmen demolishing a 175-foot water tower at Cambridge, Mass., unintentionally wrecked a nearby building when the wind caused the tower to fall in the wrong place. But the building that was hit was scheduled for demolition anyway to make way for new construction. (AP Wirephoto)

# Trujillo Kin Resigns From Presidency

CIUDAD TRUJILLO, Dominican Republic (UPI) — President Hector Trujillo presented his resignation to a joint session of the Dominican Congress today on grounds his failing health did not permit him to continue in office.

The 90-man legislative body immediately designated a three-man commission to visit the president and ask him to reconsider, but Trujillo reiterated that his decision was irrevocable.

Trujillo, brother of strong man Rafael L. Trujillo, has been chief of state since 1952. His present five-year term expires in 1962. He has been ailing for some time.

The president's message to the Congress came as a surprise. The House and Senate convened in special session only yesterday.

Trujillo's announcement he was quitting caused consternation among the legislators. But Congress accepted his resignation shortly afterward, and it was announced that Vice President Joaquin Videla Balaguer would take the oath of office to succeed Trujillo this afternoon.

"Carry Me Back to Old Virginny" is the state song of Virginia.

## MORE OCEAN RECREATION LAND URGED

WASHINGTON (UPI) — The National Park Service recommended today federal and local governments acquire at least 15 per cent of the nation's ocean and inland shoreline for recreational purposes.

The agency said this amount of land would be required to meet the needs of the expanding population in the next 40 years. About 6.5 per cent of the Atlantic and Gulf Coast shoreline currently is set aside for recreation.

The park service made the recommendation in response to a request for a study of the matter from Sen. Robert S. Kerr (D-Okla.), chairman of the special Senate committee on water resources.

## Sanitary District Budget: $67,850

Directors of the Corte Madera Sanitary District last night approved a $67,850 budget for 1960-61. According to estimates, the budget can be financed by the district's tax rate limit of 60 cents per $100 assessed valuation.

It covers operating expenses and salaries for the district's manager, part-time secretary and maintenance man. No major capital expenditures are planned, said Herbert I. Vernet, board chairman.

# Macy's In San Rafael Plans Modernization

Macy's California today announced plans to spend a half million dollars on complete modernization of its San Rafael store.

Nearly every department on all three floors of the downtown San Rafael building will be relocated, the announcement said.

New fixtures throughout the first and second floor, including an entirely new display system, will represent the major portion of the expenditure, a Macy's spokesman said.

The building will be redecorated and get new lighting throughout, and the Fourth Street entrance to the men's department will be modernized. The City of San Rafael issued a building permit to Dinwiddie Construction Co. for the structural work in the amount of $73,000.

To facilitate the handling of merchandise for expanded and for new departments, the freight elevator will serve the second floor area, as well as the lower and street levels. A new dock system, for rapid receipt and transfer of materials, has been included in the plans. A new lounge for employees is being built, and a bridal salon will provide a new service for customers.

In the realignment of merchandise departments, the store will put to use the latest innovations in interior decorating and take on a new appearance through the extensive use of color, the company said. The improved fixtures will assist in the display of merchandise in a new open-plan design.

The team of artists and craftsmen now transforming the building are working under direction of Kurt Helmsteadter of the firm of John S. Bolles, Macy's architect. The structural work is being performed by Dinwiddie Construction Co. O. W. Willard, Macy's California superintendent of construction is in charge of the over-all plan.

## Man Charged As Check Passer

Kenneth E. Spell, 34, of Santa Rosa was being held in the Marin County Jail today on charges of forging checks totaling $375 in San Rafael.

Inspector Nick Giampoli said Spell, arrested in Santa Rosa for Marin officers, admitted using a rubber stamp with his former employer's name and a fictitious address to pass three bogus checks.

Spell said he was out of work and needed money. All the checks were drawn on the First National Bank of San Rafael.

His former employer is Joseph A. Jacob Jr., 34, a flooring contractor of 35 Cleo Street, Novato.

# Terra Linda Ditch Bids Called; Annex Petitions To Be Started

Bids for completing repairs of the Terra Linda ditch were called yesterday by the Marin County Board of Supervisors, three days ahead of the start of circulation of petitions for annexing Terra Linda to San Rafael.

The San Rafael City Council has told Terra Linda annexation advocates that repair of the ditch—which runs beside Freitas Parkway to provide major drainage for the area—must be done before the city would consider annexing the neighboring community.

Circulation of annexation petions is to start Friday, said Anton Lonich, a leader in the annexation drive. This will be immediately after expiration of a 21-day period required by law to elapse after publication of legal notice of intention to circulate such petitions.

The notice was published July 13.

The board of supervisors called for bids to be opened Aug. 16 for the second phase of lining the ditch, hoping for completion before the rainy season.

Public Works Director Marvin W. Brigham told the board that estimates indicate the job "will probably exceed the amount available" and it might be necessary to award a contract for only part of the repairs.

The concrete-lined ditch was installed by Alliance Construction Co. for the original Terra Linda subdivsion. The concrete broke to pieces.

The county filed suit against Alliance, eventually accepting on out-of-court settlement of $111,000.

First phase of reconstruction of the ditch, on 1,100 feet of its upper portion, was done last year by Mills Excavation Co. of Millbrae on a $36,910 contract.

The second phase will carry the ditch the remaining 1,780 feet to the catch basin .2 of a mile from Highway 101.

Bids are being called in two sections: for the 903 feet from the lower end of the earlier reconstruction to Las Gallinas Avenue, and for the 877 feet from there to the catch basin. Brigham said if there is insufficient money to complete the job, a contract may be awarded for only that portion above Las Gallinas Avenue.

Lonich, announcing some 80 volunteers have been lined up to circulate the annexation petitions, said, "Every home in Terra Linda will receive a call during the next few weeks." A copy of the petition will also be available for signing at the Terra Linda News office in the Terra Linda Shopping Center, he said.

Lonich pointed out that the San Rafael city tax rate of 96 cents per $100 valuation is identical with the rate levied by the Terra Linda Community Services District.

## RETAINING BUS SERVICE

# Larkspur Trustees Vote To Keep Same Tax Rate

Trustees of the Larkspur School District last night approved a $652,271 budget for 1960-61.

The basic tax rate will remain at $1.33 per $100 assessed valuation, although over-ride taxes may bring the total tax to half a cent more than last year's $1.75 because of social security withholding tax now required, said Supt. Vaughn D. Seidel.

The trustees told a delegation of parents that bus service for school children would be continued.

During budget-cutting sessions, the trustees had considered eliminating bus transportation. The question was settled in favor of keeping the service when the district received $2,500 more than expected for schooling of federal government employees' children, Dr. Seidel said.

Next Tuesday morning, the district's application for a state loan to build a $825,000 school at Mariner's Cove will be acted on by the State Allocation Board in Sacramento.

If the application is approved, the local district will put up $220,000 and the balance will be loaned by the state.

The school trustees will meet at 7:30 p.m. next Tuesday at the Larkspur-Corte Madera School.

## Sausalito Gets Gifts From Sister City In Chile

An inscribed copper tray and a book were presented to Sausalito from its sister city of Vina Del Mar, Chile, at the city council meeting last night.

Mayor Philip S. Ehrlich Jr. accepted the gifts from Mrs. M. Justin Herman, chairman of the Sausalito people-to-people program. He said a suitable place would be found, probably in the City Hall, to hang the tray. The book, in Spanish, is an historical account of the sister city.

Mrs. Herman said the final sum of money sent to Chile for earthquake relief was $1,468. She reported that black and white photographs are still being accepted by her or photographer Ted Castle of Sausalito for an exhibit to be sent to Vina del Mar for its fair Nov. 20-27.

## Doctor's Wife Asks Divorce

Dr. Sherman O. Wirt is being sued for divorce in Marin County Superior Court by his wife, Ann B. Wirt.

She charged cruelty and mental suffering in a petition filed yesterday by her attorney Alfred Taddeucci of San Francisco.

She asked $500 a month support, $1,250 attorney's fees, division of property and restoration of her maiden name, Ann B. Middleton.

The couple, who have been married for six years, lived at 10 Corte Comoda, Greenbrae. They have no children.

## Army Reservists Return From Training

Marin County army reservists, members of the 362nd Regiment, 91st Division, have returned from two weeks active duty training at Camp Roberts.

During the training the regiment also found time to win the 91st division softball, basketball, swimming and volleyball championships.

# AF Lake Use Plan Rejected

Directors of the North Marin Water District last night turned down an Air Force request to use Stafford Lake for simulated rescue operations for "downed" airmen.

Directors, on the advice of the state health department, declined use of the Novato water supply for helicopter and water rescue practice.

In other business, directors:

1. Agreed that four residents north of Ridge Road would have to pay for a needed new water line into the area.

2. Declined to require ranchers James and George Grossi to open two small dams on Novato Creek tributaries, in the district watershed. Jerome Gilbert, district manager, noted that though Stafford Lake is low, the water supply is expected to last to the rainy season, and the 20-acre feet of water behind the small dams would be no appreciable gain. Two additional pumps for Stafford are expected to be installed next week to insure water flow even during low lake level, he said.

3. Deferred action on construction of a Wilson Avenue pump station waiting for a better indication of area development.

## Club Seeks Funds From Game Night

The parent's organization of the three-month-old Twin Cities Boys' Club hopes to get on its feet financially through proceeds from a game night at 8 p.m. Saturday at the Corte Madera Recreation Center, said President A. F. Marshall of Larkspur.

Some 60 boys between the ages of 8 and 18 are on baseball teams sponsored by the club. Another summer program is basketball at the Redwood High School gymnasium. Backing the club activities are 25 adults, all volunteers.

Chairman of the Saturday game night is William Purtell, assisted by Tom Lannert.

All states except two — Mississippi and South Carolina —require that children attend school through the age of 16.

# RUSS ASK DISARM MEETING BOYCOTT

## Communist Delegation Representatives Plugging Soviet Plan For All-U.N. Meet

UNITED NATIONS, N. Y. (AP)—The Soviet bloc campaigned today for a general boycott of the 82-nation United Nations Disarmament Commission meeting asked by the United States for Aug. 15.

Contact men from the nine Communist delegations were visiting Asian, African and other missions to the U.N., urging that they stay away from the meeting. The Communists were plugging the Soviet Union's rival proposal for a summit conference of all 82 U.N. members during the General Assembly convening Sept. 20.

The Communist argument was that the permanent U.N. delegates who make up the Disarmament Commission have authority to do no more than engage in the time-wasting debate, while the heads of government have full power to conclude agreements.

Diplomatic sources said most U.N. delegations had agreed informally to the Aug. 15 meeting before commission chairman Luis Padilla Nuervo of Mexico proposed it formally last Friday. But many were reported reconsidering because of the Soviet stand.

The feeling in some delegations seemed to be that a disarmament meeting without one of the world's two big armed camps would only underline and cement the deadlock between the West and the Communists.

The State Department said, however, that it was going ahead with its proposal for the commission meeting even without the Soviets. Press officer Lincoln White said in Washington any government head—including Soviet Premier Nikita Khrushchev—could attend the commission meeting if he wanted to, and that commission discussion did not preclude a disarmament discussion by the General Assembly.

White said the Soviet proposal for an outside summit conference was "a Soviet tactical maneuver to divert the Disarmament Commission from considering the question of disarmament."

U. S. delegate Henry Cabot Lodge asked on July 22 that the commission meet "early in August" to discuss the June 27 Communist walkout from the Geneva disarmament negotiations.

Soviet Foreign Minister Andrei Gramyko had sent a request the day of the walkout that the assembly take up the disarmament deadlock, which he said was caused by a Western refusal to negotiate seriously.

# WIRE NEWS BRIEFS From Everywhere

### Red Airman Defects

SEOUL, South Korea (AP)—A young North Korean airman defected to South Korea today in a MIG-15 jet fighter.

"I came because I longed for freedom," said Lt. Chung Nakhyun, 24, after he brought his Soviet-designed fighter down on a tiny airstrip on the east coast 40 miles south of the truce line between South Korea and the Communist North.

### New Sub Detector

LONDON (AP)—Britain soon will begin mass production of a new electronic underwater weapon to "see" submarines dozens of miles away, British naval authorities reported today.

Allied defense experts regard the device as a big step toward meeting the threat of the Soviet Union's long-range submarines.

### Missile Defense Test

SAN DIEGO (UPI)—The Army plans to test the Nike-Zeus antimissile by firing giant Atlas intercontinental missiles from the West Coast and trying to shoot them down over the Pacific.

Dr. Richard S. Morse, director of research and development for the Army, said yesterday Nike-Zeus crews soon will be ready to man installations at the Pacific atoll of Kawajlein.

### Invasion From Cuba?

GUATEMALA (AP)—President Manuel Ydigoras said last night invaders from Cuba are on their way to overthrow his government.

Ydigoras told newsmen the schooner Theresa with 80 to 90 Guatemalans, Cubans and Nicaraguans aboard, passed north of Bluefields, Nicaragua, July 26, apparently headed for an attack on the Guatemalan military base at Puerto Barrios.

### Kefauver Faces Test

NASHVILLE, Tenn. (UPI)—Tennessee Democrats vote tomorrow on two different philosophies of government—Sen. Estes Kefauver's "government with a heart" vs. challenger Andrew Taylor's states' right and local control.

Kefauver, a veteran of 22 years in Congress and the 1956 Democratic nominee for vice president, is waging one of the hardest battles of his political career. Taylor, a circuit judge, has concentrated his fire an Kefauver's "liberal" voting record in Congress and his "big brother type of government."

### Russ Car Deal Off

SYRACUSE, N. Y. (UPI)—Robert Castle, a car dealer who contracted to import Russian-made Moskovich automobiles, has disclosed that he canceled a shipment of 500 after the collapse of the summit conference.

"Unfortunately, ours is a business tied in too closely with political trade winds, and since the summit collapse we haven't tried to sell Russian products," Castle said yesterday.

### Castro In Seclusion

HAVANA (AP)—Ailing Fidel Castro reportedly has moved out of his well-guarded suburban home to another well-guarded but more secluded resting place.

A source close to the prime minister said Castro had been persuaded to leave his residence to avoid well-wishers and the curious so he can get the complete rest his doctors have ordered.

### Report On NATO

NEWPORT, R. I. (AP)—President Eisenhower was to get a report today on North Atlantic Treaty forces in Europe from their supreme commander, U. S. Gen. Lauris Norstad.

The president arranged an afternoon conference at the summer White House with Norstad, who holds the NATO job from which Eisenhower resigned in 1952 to run for president.

### Belated Yule Gift

PHILADELPHIA (AP)—Christmas belatedly arrived yesterday for 500 employees of the Pennsylvania Forge Co. An arbitrator ruled they are entitled to their $100 bonuses for last Christmas. The firm had announced that for business reasons it would not grant bonuses in 1959.

### Big Panama Fire

BALBOA, Canal Zone (UPI)—The worst fire in the history of the Panama Canal caused an estimated $250,000 damage last night to the canal administration building here, it was announced today.

The fire, started by the explosion of some paint thinner, raced through several executive offices in the building. Damage was extensive but no one was injured.

### Streetcar Crash; 14 Die

VIENNA, Austria (UPI)—Fourteen persons were killed when two street cars collided here yesterday during the rush hour. At least 80 persons were injured, 30 of them critically, in what public transportation officials called the worst such accident in European history.

# Farm Labor Dispute Goes Back To State

SACRAMENTO (AP)—Federal court has tossed the key legal question in California's farm labor dispute back to the state courts.

The question: Is the state employment department required to send job-seekers to farms which are being picketed?

U.S. Dist. Judge Sherrill Halbert decided yesterday that it's a question of state law, and bucked it back to Yuba County Superior Court

**SIDE ISSUE**

Halbert said the only federal question is a side issue: Whether the federal government should continue its annual 11-million-dollar contribution to the California employment service.

The main question was raised originally in the Yuba County court by Di Giorgio Fruit Corp., which demanded an order requiring the state to refer workers to its picketed Dantoni orchard near Marysville.

**REFUSED TO CROSS**

Judge Warren Steel issued a temporary order, and the state resumed sending job-seekers to the Dantoni orchard although many of them refused to cross picket lines posted by the AFL-CIO's new Agricultural Workers Organizing Committee.

The State Employment Department then persuaded Judge Steel to transfer the case to federal court. The department contended it can't send workers to a picketed farm under the federal Wagner-Peyser act.

# Sanitary Board Passes Budget

The Alto Sanitary District board approved a 1960-61 budget Monday of $3,200, a jump of $1,000 over last year's figure.

Sidney Dooray, secretary, said the cause of the raise was two-fold: First, Alto must pay a share of the enlargement of Mill Valley's plant facilities, and secondly, the annual prorated cost for the share of sewage disposal has gone up 100 per cent.

David G. Jones, Harry McNeill and Dooray agreed to serve one more term on the board in the absence of any nominations for the positions.

# Two Admitted To Bellarmine

Two Marin County boys have been admitted to the freshman class at Bellarmine College Preparatory School, San Jose.

They are John George DeMaria, son of Mr. and Mrs. John B. DeMaria of Upper Ames Avenue, Ross, and Edward F. X. Malley, son of Mr. and Mrs. Edward S. Malley of 2 Welcome Lane, San Rafael.

DeMaria is a graduate of Ross School and Malley a graduate of St. Rahpael's.

# CIGARETTE MAKER IS BLAMELESS IN SMOKER'S DEATH BY CANCER

MIAMI, Fla. (AP)—Smoking is at least a factor in lung cancer, a federal jury has decided, but it refused to blame the cigarette maker.

The jury declined yesterday to assess any damages against the American Tobacco Co. The estate of Edwin Green, who died of lung cancer, had asked more than one million dollars.

The plaintiff contended Green developed cancer of the left lung as a heavy smoker for 30 years of the firm's Lucky Strikes, with an occasional switch to other brands. Green, himself, started the suit before his death.

American Tobacco challenged lung cancer as cause of Green's death at age 49 in 1958. It also disputed that smoking causes cancer.

The jury found after eight hours deliberation that Green's smoking was "a proximate cause or one of the proximate causes of the development of cancer in his left lung."

It ruled, however, that the manufacturer could not be held responsible prior to the cancer diagnosis Feb. 1, 1956, for knowledge of any danger involved in smoking the cigarettes.

It was brought out in the trial that Green did not smoke again after the cancer diagnosis.

# Jobs Requiring Loyalty Oaths Can Be Spurned, Court Rules

SAN FRANCISCO (AP) — The California Supreme Court yesterday upheld the right of jobless workers under certain circumstances to turn down jobs requiring the signing of a loyalty oath, and still receive unemployment insurance benefits.

The 4-3 decision upheld a ruling by the State District Court of Appeals and opposed decisions by the Alameda County Superior Court and the California Unemployment Appeals Board.

The Supreme Court ordered unemployment benefits paid to Marion R. Syrek Jr. Syrek refused to apply for a civil service job in 1956 because of the loyalty oath required.

# CANDIDATES NAMED IN THREE STATES

## Michigan, Missouri, Kansas, Select Congressional, Local Office Contenders

By ASSOCIATED PRESS

Primary contests for congressional and local offices captured the political spotlight in three states yesterday.

In Michigan, the Democratic race for a party choice to succeed G. Mennen Williams as governor featured an upset by Lt. Gov. John B. Swainson.

Swainson, 35, a legless Detroit attorney, beat out Secretary of State James M. Hare and Detroit Councilman Ed Connor. Williams has declined renomination after serving six two-year terms.

Paul D. Bagwell, 46, a Michigan State University faculty member, ran unopposed in the Republican balloting for governor.

In the GOP contest for the U.S. Senate nomination, U.S. Rep. Alvin M. Bentley overwhelmed former State Police Commissioner Donald S. Leonard. Bentley will face the Democratic incumbent, Sen. Patrick V. McNamara, in the fall election.

In Missouri Atty. Gen. John M. Dalton won the Democratic nomination for governor in a runaway over four opponents.

Among the Republicans, State Rep. Edward G. Farmer beat out Rep. William B. Ewald by a sizable margin for governor.

In Kansas, incumbent Republican Sen. Andrew F. Schoeppel trounced a political newcomer, Henry P. Cleaver, who had sought Schoeppel's U.S. Senate seat.

Frank Theis defeated Lt. Gov. Joseph Hinkle in the Democratic contest for the right to oppose Schoeppel this fall.

The GOP race for governor in Kansas was close, with Atty. Gen. John Anderson nosing out newspaper publisher McDill (Huck) Boyd.

Democratic Gov. George Docking was unopposed for renomination.

### Admitted To School

Diana Martin of San Rafael has been admitted to the University of California at Davis for the coming school year. Miss Martin plans to major in dietetics in the college of agriculture. She is a daughter of Mr. and Mrs. J. E. Martin of 280 Hillside Avenue. She attended University of Arizona last term.

Pure sugar cane... so sweet and clean little Hawaiians eat it raw

(Grown-ups make it into C and H)

Next to our children, sugar cane is about the sweetest thing we grow in Hawaii.

And as you see above, we don't try very hard to keep the kids from the cane. Because Hawaiian cane grows so pure, sweet and clean, little Hawaiians eat it raw. While we grown-ups busily make it into sugar for you. C and H Sugar. World's finest, we believe.

For nature has smiled on these islands. The rains fall gently. The sun shines passionately. And in this earth even orchids grow wild. *This must be where sugar was meant to grow.*

Will you keep using C and H Sugar? We're outrageously proud of it.

# Marin's Beautiful Beaches Not For Public Enjoyment

Pardon us for playing an old record over again for the umpteenth time, but we are moved to comment once more on a problem that has been with us for a long time.

We refer to the problem of public access (or lack of it) to some of Marin's finest natural attractions. As Marin becomes more built up with an ever-growing population, the problem becomes more accute.

Let's start with our ocean shore. From the Golden Gate north to the Sonoma County line there are only a handful of places where the public has free access to the ocean shore. The most desireable beaches South of Stinson are situated within military reservations and access is subject to sufferance of the military.

Muir Beach is privately owned and an admission fee is required. The state park area at Stinson is public, but you must pay a fee to take your automobile into the parking areas. There are strips of public beach with free access at Stinson and Bolinas; but that's about it.

From Bolinas up to the mouth of Drake's Estero, all is fenced off by the private owners. The public has access at Drake's Bay county park; but from there to Pt. Reyes and on all the way to Tomales Point, the "Keep Out" signs prevail except at tiny McClure's Beach reached by a rugged trail.

North of the mouth of Tomales Bay, we don't know of a single place where the public can get to the ocean free. Only place the public is welcome at all is Dillon's Beach, privately operated with an admission fee.

Now let's look at the bay shoreline from the Golden Gate north to the mouth of the Petaluma River, which is the other end of the Sonoma County line.

Sausalito has a strip of public owned bay front, under lease to a private concern but with public access preserved.

The Richardson Bay Foundation holds a wild life reserve along the east shore of Richardson Bay and the city of Belvedere holds title to some undeveloped tidelands.

On the other side of the Tiburon peninsula, the county of Marin recently acquired a small portion of the old Naval Net Depot.

And that's all.

Corte Madera, Larkspur, San Rafael and Novato all have jurisdiction over waterfront areas, but none provides a public access area.

If you were to measure the amount of Marin's precious ocean and bay shoreline to which the public has free access, we are quite sure it would be less than one-one-hundredth of the total.

This is most lamentable for obvious reasons.

Unless something is done now, we may lose the opportunity ever to do anything about gaining and preserving access.

We'll have more to say on this latter subject in this space tomorrow.

## County Clerk Looks Back On His 34 Years Of Service To Marin

A CIGARETTE BUTT in a corner is one of many things which County Clerk George S. Jones finds of interest. Especially, that is, if he planted it there himself.

Jones enjoys keeping busy, and seeing that other people keep busy, and being efficient about it all. That's where the cigarette butt comes in.

Years ago before Marin County got so grown up and flossy and costly, one of the numerous Jones duties was to look after the whole courthouse. This included janitorial service and without being fussy Jones liked to know things were being done right.

It wasn't, he says, his policy to spy around. He thinks that people who operate that way just miss their beauty sleep without getting much wiser. Instead Jones would merely drop an occasional cigarette snipe in a remote corner.

If the butt was still lying there several days later, somebody new was likely to show up at the end of the office broom.

"There's always ways of doing these things," says Jones. "And no need to be sneaky about it, either. Works everywhere including here and now. I used to have a thousand acres of sugar beets up where Hamilton Field is now — we knew who was working there, all right."

BORN ON the "banana belt" slope of the Sausalito hill, Jones has Marin County in his blood and bones. He knows Marin and Marin knows him.

Clear back in 1906 he became a deputy sheriff and he still has a badge.

For years he ran Ignacio as a one-man town. He operated the first garage and service station between there and San Rafael. He was Ignacio's postmaster, he owned a general store, barber shop, butcher shop and telephone exchange —"I always like to be doing about a dozen things," says he, "and that's why I like the county clerk's office."

Trying to simplify his overcrowded business life, he sold out a lot of holdings in 1925 with what he calls "the idea of semi-retirement, just real estate and insurance and such," which easy program left him wide open for "helping Bob Graham as deputy" in the clerk's office in 1926. For one phase of his help to others he became known as "Cupid Jones."

He stayed on to help Graham's widow, then found himself challenged by a female successor who said that anybody with the idea of becoming county clerk was out. The other deputy staved on. But Jones spunkily left, campaigned, swept into office in 1933 and has been clerk ever since.

THEY SAY A HOG on ice is independent but it's a weak simile compared with the smiling Mr. Jones seated at ease below the row of supervisors above. His physical position is lower but he makes clear that only the voters are his boss—and he has been getting along fine with the voters for a long while now, till he's in his last term before retirement two years hence.

"I couldn't stay on if it became a matter of appointment," says Jones with reference to one political menace which passed. "Some don't like it that I am as I am but it suits me and I've felt up to now that right here is where I could do the most good. Later—well, we'll see."

His early theories of efficiency are put into operation daily in the big busy office of the clerk, where everybody has a number and what he does is easy to check. People sign in and out at coffee breaks. Even phole calls are recorded.

"No need to be arbitrary," is Jones's summary of it all. "You make allowances when necessary. But it pays to know what's going on. A lot of Marin department heads know mighty little of what's happening right in their own offices."

**Finally Jones has one more rule worth pondering: "Keep smiling, that's my motto. No matter how you feel inside sometimes —keep that smile on."**

**MIRROR EXPORTED AFTER BEING IMPORTED**

A beautiful mirror imported from Europe landed right back where it came from through a unique coincidence.

A furniture dealer discovered it in Italy and had it shipped to his New York show room. No sooner had it been installed than a visitor from Italy saw it. He subsequently purchased it and immediately arranged for its return trip to the very country it had left only a few short months before.

The treasures in life that most of us seek are within our grasp. Yet sometimes they elude us because we don't take the trouble to look for them.

Keep alert for the greatest treasures—those which will provide you with happiness both here and hereafter.

You don't have to cross an ocean or spend any money to find them either. In fact, Christ reminds you that the discovery starts right within yourself, when He says: "The kingdom of God is within you." (Luke 17:21). He also said:

**"Seek first the kingdom of God and His justice, and all these things shall be given you besides." (Matthew 6:33)**

Grant, O Lord, that I may always keep first things first.

# Americans Toast The Sun By Toasting Themselves In It

NEW YORK (AP)—If Aristotle were suddenly transported through time to a modern American beach, what would he think?

Glancing around at the sands studded with sprawling mortals slowly reddening under a hot sky, he could reach only one conclusion:

"What a strange heathen tribe these Americans are! Obviously they are sun worshipers. But what an odd form their rites take!

"Instead of sacrificing animals, they anoint themselves with oil, lie prostrate and turn themselves into burnt offerings under the terrible eye of their God. What awful guilt has driven them to this inhuman self-punishment?"

Wise old Aristotle would regard this as a form of cult madness, and even the most modern present-day physician would sadly have to agree with his diagnosis.

Comes June and millions of Americans quit chasing the dollar, and begin a new mass pursuit—a summer tan. They turn the country into one vast human barbecue pit.

Those who can afford to do so, go to the nearest real beach. Others take off as much clothing as the law allows and spreadeagle themselves on the grass of back yard or public park. Others climb to their rooftops and slowly stew in their own juices on "tar beach."

But wherever the sun shines, it shines on grub-white limbs and bald pates, on countless miles of human epidermis seeking a chameleon change. People too busy to lie in the sun try to apply instant tan from a bottle.

The theory behind this zany fad is that a tan makes a man look more virile, a woman more beautiful — and both sexes more healthy.

But, as any doctor knows, 15 minutes in the sun each day will make the average person as healthy as he needs to be for all practical purposes. And, as any cosmetician knows, too much exposure to the sun will in time make the skin beautiful only to one who admires the patina of old leather.

TWO GENERATIONS ago any responsible mother would spank a daughter who went out in the sun bare-headed and thereby risked ruining her fair complexion.

IF THIS MASS madness for an even deeper tan continues, the verdict of a future anthropologist on American civilization may be:

"They lay too long in the heat of the sun, and all went crazy at once."

## Tiburon Needs Off-Street Parking

EDITOR,
Independent-Journal:

Your Tiburon correspondent has given me more prominence than is due me in recent stories about the Tiburon Parking District. It is true that I took initiative in suggesting to the Tiburon Chamber of Commerce that it appoint a committee to tackle the parking problem in Tiburon. Since that time decisions have been made and responsibility taken by the members of that committee, which has been supported throughout by official actions of the Chamber.

The basis for action is simple:

1. Twenty-five business establishments on Tiburon's Main Street have no off-street parking whatever, and no vacant land on which to put it.

2. The space presently used by customers of these businesses—Northwestern Pacific land, State Highway right of way, Fred Zelinsky's parking lot—will eventually all be taken up by new commercial development and by the proposed State Highway widening. This will leave the existing old businesses with no parking at all for their customers, except what they can poach from the new businesses. Meanwhile, the County Planning Commission, eyeing the future, has refused to permit the old businesses to expand.

3. When you don't have space for parking, and you know you're going to need it, the only way to have it is to get it—in as close and accessible a locatiton as you can find. I couldn't be less concerned whether the method used is private or public, whether the parking customers pay for it or don't pay for it. What is important to the future health of the Tiburon business district is that it be supplied, and be supplied on a permanent basis.

4. The Tiburon Parking District is the only practical proposal made to date for answering the problem. When the opponents of the District come up with a practical alternative, it will be time enough to cry our eyes out about "private enterprise" and the "public trough."

## Boyd, Gilmartin Both Ridiculed

EDITOR,
Independent-Journal:

I believe there is more involved in the "Last Man" experiment, and the results of the news coverage than just the series of articles. I think Bud Boyd and the Chronicle were sincere in the idea behind the experiment. The reactiton to this in the newspapers seems so typical of the modern lack of conviction, or fear of voicing any sort of conviction. How typical it is to wait until someone else stands for some belief and then try to smack them down. The most used method seems to be to make fun of the idea. This is nowhere more pronounced than in the "sports" section of the newspaper. For example, Jim Gilmartin seeking his own publicity by poking fun at the above mentioned experiment. I personally feel Gilmartin made a bigger fool of himself by being such a mimic of other published opinions.

I do not think Bud Boyd would subject himself, his family, or the Chronicle to the ridicule that would be so obvious if his efforts were not sincere.

## Car Clubber Aids Woman With Flat

EDITOR,
Independent-Journal:

Just thought you might like to know that one of our teenagers is very thoughtful and helpful.

Having just had a flat tire near Tamalpais Valley going to market from Stinson Beach, my young daughter and I had been walking for just a few minutes when this young boy stopped and offered us his help.

He drove us to the nearest station and when I thanked him he handed me a card which gave his name as Gary Sheets, a member of the Quick Changers of Marin car club. This must be a fine group of youngsters and again, I thank Gary Sheets.

## Nixon Handicapped In Campaign By Being Tied To Eisenhower

THE CAMPAIGN which is now beginning will be waged at many levels both above and under the ground. Mr. Nixon's choice of Ambassador Lodge was made, it is apparent, in the belief that in the upper and open levels of the campaigning foreign affairs are the main concern of the country and the main subject, which can be mentioned, by which votes can be won or lost. Lodge was not chosen, as was Lyndon Johnson, because he has any political strength of his own, say with the farmers, with labor, with small business or with big business, or with any of the ethnic groups. He was chosen because he is a well known figure and an attractive personality, identified with seven years of debate against the Russians.

Mr. Nixon's choice means not only that he expects foreign affairs to be the main subject of the open and visible arguments. It means also that he does not expect to talk very much or very emphatically about the internal problems of this country. Rockefeller would have done that. Nixon cannot do it. This is not because the two men are very far apart in what they think ought to be done. We can see that from Nixon's Chicago speech and from the Nixon-Rockefeller contact previously.

Where they do differ is that Rockefeller believes in a fiscal policy which will pay for what needs to be done while Nixon is tied to the essentially deflationary fiscal policy of Eisenhower. Without a break with this policy, Nixon is in a very poor position to contest with the Democrats in the field of public needs, beginning with defense, going on to education, and coming to all the aims announced by Mr. Nixon in his Chicago speech.

NIXON'S FUNDAMENTAL handicap is that he is tied to a rate of growth which is too small for our expanding population and for our expanding world responsibilities and domestic needs. Because of this, he is under a great handicap even in the field of foreign affairs. For the issue there is how the balance of national power, which has visibly turned against us in many parts of the world, can be righted. This can be done only by big investments of wealth and effort in our military, economic, scientific, educational, and cultural capacity. There is no way to the "victory" which Nixon calls for without spending a lot more money, and—if fiscal stability is to be preserved—without producing a lot more wealth to provide the extra revenue.

Inhibited from dealing with the real issue in foreign affairs—which is what Rockefeller wanted to do — Nixon is concentrating on the question of who has the greater experience in foreign affairs, and particularly in debating with the Russians. It is, of course, a perfectly good question to raise in a campaign. Nixon and Lodge, who belong to the party controlling the executive branch of the government during seven years have more experience in the executive branch of the government than have Kennedy and Johnson, who have been in the legislative branch. But this is not the main question.

CONSIDER, FOR example, Nixon's celebrated arguments with Khrushchev in the kitchen exhibit at the American Exposition in Moscow. Nixon had the better of the argument. Indeed he won it. And what were the results of winning this argument and all the other arguments we have won. Has the frontier of freedom advanced one inch? Has the empire of tyranny receded at all? In the year that has passed since Nixon stood up to Khrushchev in Moscow and since Lodge won his debate in New York our position in the Far East has deteriorated seriously and our position in Cuba and in Latin America has certainly not improved.

What does all this show? It shows that the job of dealing with the international Communists is not the job of arguing with the Russians, whether at the Exposition in Moscow or at the Security Council in New York. The Russians are for all practical purposes impervious to argument, especially to public argument. Their calculations, which are often far from accurate, are not in terms of words or principles or ideals. Their calculations are made in terms of power—in terms of missiles and tanks, and technical schools and trained engineers, and steel and oil and houses and Sputniks. Nixon won his debate. Lodge has, so he tells us, won all of his debates. But nevertheless the Communist influence is expanding.

# San Rafael Education Board Raises High School Tax Rate

Budgets of $1,856,647.38 for the San Rafael elementary district and $1,627,218.71 for the high school district for 1960-61 were given final approval by the board of education last night.

The elementary budget will call for a general purpose tax rate of $1.63 per $100 of assessed valuation, or slightly less, Acting Supt. Raymond J. Simpson said. This would be an increase over last year's $1.50, but less than the maximum of $1.75 voted at the last election.

The high school tax rate will be at the maximum $1.25, an 11-cent increase over last year.

Override taxes for special purposes will total about 35 cents for the elementary district, including 26½ cents for retirement of the state public school loan, and five cents for the high school district, Dr. Simpson said.

The board accepted bids for the following: Three kitchen units for the homemaking department, Davidson School, Geneva Modern Kitchens of Lafayette, $2,850.06; miscellaneous science equipment, Terra Linda High School, total of $2,242.77; office equipment, Terra Linda High, total of $741.55; cafeteria equipment, Terra Linda, total of $1,415.43; homemaking appliances, Terra Linda, total of $2,494.19.

The board also:

1. Approved the appointments of Miss Wilda Joy Rose, to teach second grade, Laurel Dell School; Miss Marjorie Fulton, girls' physical education, and George W. Felker III, English-drama, both at San Rafael High.

2. Authorized a $7,440 change order with Argonaut Constructors of Santa Rosa for removal of trees and stumps and clearing of grounds at Coleman School to clear the way for a playground. The firm is constructing a storm sewer at the school.

# Sausalito Presses For Census Count

Sausalito Mayor Philip S. Ehrlich directed City Manager Charles A. Brown last night to continued with a special count of one square block in old town in hope of finding the federal census failed to count.

Brown reported to the city federal census failed to count all residents.
made by the city in the Marinship area, showed 117 persons. This figure has been sent to the Bureau of the Census, with a query is to how it compares with the official figure.

The federal census gave Sausalito a population of 5,286. City officials had estimated it close to 6,000.

About 15 persons called or wrote in saying they had not been counted, Brown said, after the city issued a call for all those missed by census enumerators to advise the city clerk.

## MARIN SCOUTS STUDY SURVIVAL

Explorer Scouts Dave Allen of Belvedere, (left) and Bart Anderson (center), of Salt Lake City learn proper methods of tanning a rabbit skin from Scout Executive Ramon Sealy at a summer encampment and survival training program at the Air Force Survival School, Stead Air Force Base, Nevada. They were in a group of 130 boys at the encampment.

# Reed Trustees Lower Tax Rate 13 Cents

An operating budget of $575,526 with an estimated tax rate of $1.92, 13 cents lower than last year's $2.05, was adopted last night at a special meeting of the Reed Union School District trustees.

Additional rates including retirement contributions, community services, repayment of state school building fund, education for mentally retarded children and bond redemption, totaling 60 cents, brings the total tax rate to $2.52.

The rate is based on an assessed valuation of $17,172,527, a 28 per cent increase over last year.

The operating budget represents an increase of approximately $5,000 over the previously published budget of $570,392 and an 11 per cent increase over last year's budget of $518,809.

Several reasons were advanced by chairman Richard J. MacLaury for the increase. An increased enrollment is expected in the fall, he said. Additionaliy, because of the increased valuation, less state aid is available and more money must be supplied by the district, he explained.

Budgeted items include administration, $30,893; instruction, $402,555; auxiliary services, $11,970; operation of school plant, $58,340; maintenance of school plant, $11,255; fixed charges, $6,250; transportation of pupils, $22,525; capital outlay, $11,238; undistributed reserve, $20,000, and general reserve, $500.

Mrs. Alyce Farkas of Bel Aire was sworn in as a member of the board, replacing Mrs. Ahleen Tresnon who resigned.

Hiring of two new fifth grade teachers was approved. They are Lenore Sarraf, for Reed School, and Sue Rydberg, Bel Aire.

The meeting adjourned in memory of Mrs. Paul R. Stouffer who died Sunday. Mrs. Stouffer was the wife of the district superintendent.

The next meeting, regularly scheduled for Tuesday has been canceled.

## Marin County Banks To Keep Same Hours

Marin County banks won't go along with those in San Francisco, which on Sept. 16 will start closing an hour earlier on Fridays, it was learned today.

Banks here will continue to stay open until 6 p.m. Fridays.

## Green Foods Aid Keeping Health

NEW YORK (UPI)—The dark green hues of broccoli, spinach, turnips greens and kale are a sign of the valuable amounts of vitamin A contained in these vegetables, the Nutrition Foundation reports.

The depth of green indicates carotene, a substance which the body converts into vitamin A.

The vitamin helps the body fight infection, maintain vision and build strong bones and teeth. The dark green vegetables also are good sources of vitamin C.

# Clubhouse Meeting Called In Novato

Novato Community Club members who favor giving the clubhouse to the City of Novato have called a membership meeting in the face of charges that the meeting will be illegal.

Alfred Bowman, informal leader of a group favoring turning over of the clubhouse to the city, has called a meeting for 8 p.m. Monday at the clubhouse.

Club president George Wahl has refused to preside, Bowman said. A director will preside as required in the bylaws, Bowman declared.

Wahl also has set a meeting, for 8 p.m. Aug. 22, at which he said opposing proposals for amendments to the club bylaws will be on the ballot for a vote. On one side are amendments tending to favor turning over the clubhouse to the city; other amendments proposed would tend to aid in keeping the clubhouse under membership control.

Bowman's meeting was called before the meeting date was set by Wahl, who had promised one "as soon as I can."

"I dont' know what's going to happen," Wahl added.

Bowman declined to predict the number of persons who would attend his meeting, adding "both sides have committees."

In a letter to the city council last night, Wahl siad:

"This meeting (Bowman's) is not offical as it is not on accordance with the bylaws of the Novato Community, Inc. and therefore any resulting action would be void."

### DEBATE RAGES

The debate rages over whether the original intent of club founders and those who donated for mortgage payoff in 1947 was to turn the clubhouse to the city on incorporation.

At Bowman's meeting, members will have a chance to vote on the following bylaw amendments:

1. All community club property will be turned over to the city by Sept. 20.

2. If the corporation is dissolved by a 75 per cent vote, property must be liquidated and the proceeds turned over to the city.

At Wahl's meeting, these proposals and the ones backed by club directors will come to a vote, Wahl said. Directors' amendments:

### BYLAWS CHANGES

1. Bylaws amendments will continue to be made by a minimum of 11 persons (majority of a quorum). Meetings for bylaws changes proposed, as at present, can be called by 5 per cent of the members or by the board of directors. But the provision that amendments to the property rights sections can be made by the same method would be changed.

2. Property rights amendments meetings could be called by the board or by 25 per cent of the members. A two-thirds favorable vote would be needed to approve changes in the property rights sections.

# Board Plans $750,000 School Wing

The San Rafael Board of Education last night approved preliminary plans for a $750,000 second academic wing and library at Terra Linda High School.

The wing will have 11 classrooms on the ground floor and 13 on the upper floor, including two classrooms over the library area which will connect the first and second wings.

### 50 CLASSROOMS

The addition will bring the school to a total of 50 classrooms. The library will accommodate up to 2,000 students, with possibility for expansion if necessary.

Trustee Harold Fulkerson moved to call for bids on the sale of bonds no later than Oct. 15 in the amount necessary to cover the cost of stage one of the Terra Linda expansion.

The motion was tabled, however, to next Tuesday's meeting when more information will be available on the cost of the bonds.

Stage one of the expansion will include the second academic wing, pool, shop, addition to the music building, and library.

### BIDS IN FEBRUARY

Architect Carl Gromme said he saw no reason why all the drawings for these buildings could not be completed by February when the board plans to call for bids.

He also said the construction of the swimming pool could begin this year. Drawings will probably be ready to go to the State Division of Architecture for approval in 30 days, he noted.

The pool is estimated to cost $150,000-$160,000.

Board members said they would like to have the pool completed by March, in time for the last quarter of the school program.

# Marine Says Shark Ate Fleeing 'Boot'

CONCORD, N.H. (UPI) — The parents of an AWOL Marine Corps recruit said today he had told them one of his buddies was "devoured by a shark" while trying to swim from Parris Island, S.C., to escape cruel treatment.

Mr. and Mrs. Frederick Snell of Nashua made the statement after the conference with U. S. Sen. Styles Bridges (R-N.H.) at his office here.

Bridges said he already had talked by telephone with Marine Corps commandmant Gen. David M. Shoup and Parris Island authorities who were undertaking a full investigation.

Gerald Snell, 19, was arrested July 25 at Bel Air, Md., two days after he had escaped from Parris Island. The Marine Corps said he fled in an automobile stolen from a master sergeant on the base.

The Snells said their son had received no abuse, but fled in fear of what had happened to others in his squad.

The parents said they visited him in Maryland and he told them one recruit was devoured by sharks while trying to flee the "boot camp."

# Girl, 17, Cited In Highway Crash

A rear-end crash during a traffic tie-up on Highway 101 north of Lucas Valley Road caused a 17-year-old Eureka girl to suffer both a cut lip and a California Highway Patrol citation.

The girl, Sarah Lee Goldberg, was driver of a northbound car which hit the car of Marjorie Jean O'Shea, 50, of Burlingame, as the latter slowed in heavy traffic, the highway patrol reported.

Miss Goldberg was cited for speeding and causing a minor injury collision, then was treated at San Rafael General Hospital for her injury.

Newfoundland is Great Britain's oldest colony. It was discovered in 1497 by John Cabot.

# Shoreline Highway Plan Draws Fire From Sierra Club

The new Shoreline Highway link in southwest Marin should be stricken from the California freeway-expressway system, the Sierra Club declared today.

In a strongly worded statement to be presented at a public hearing on routes for the link at 2 p.m. tomorrow in Tamalpais Valley School, the 16,000-member organization declared the Shoreline Highway expansion would, at tremendous cost, deface "one of the most uniquely beautiful open spaces enjoyed—close in—by any large urban area in the world."

In addition, declares the Sierra Club statement, the link is opposed because:

1. It is uneconomical.
2. The traffic volume does not require it.
3. It would tend to push land values out of the range of the state or other public agencies wishing to set aside parks and open spaces.

Representatives of the California Division of Highways are to present four alternate routes for the Olema-Marin City highway sector at tomorrow's hearing. The Sierra Club wants none of fihem.

**There are seven other critical highway deficiencies in highly populated sections of Marin County which should be given priority over the Highway 1 freeway, the club declares.**

These are listed as:

1. San Rafael-San Anselmo-Fairfax-Woodacre (Sir Francis Drake Boulevard).
2. Greenbrae - Kentfield - San Anselmo (Sir Francis Drake Boulevard).
3. Corte Madera interchange - Larkspur - Kentfield (linking Highway 101 with Drake Boulevard).
4. Vista Point-Sausalito.
5. Mill Valley-Alto interchange-Paradise Cove.
6. Greenbrae interchange - San Quentin.
7. Portions of Highway 101 not already upgraded to freeway standard.

**A freeway on the Shoreline route, contends the club, would mean "just another highway-stimulated development."**

"We talk long and often about preserving such national and state scenic heritages as Yosemite, Grand Canyon and Humbold Redwoods Parks," the statement goes on. "Yet most of these places are hundreds—or even thousands — of miles from the congested metropolitan centers where most of us spend 90 per cent of our lives. . . . But we can visit and enjoy every day or every weekend the large natural open space of Southwest Marin."

## 'Sounding Board' To Give Report On Civic Center

Four speakers will give a "progress report" on the Marin County Civic Center at 9 a.m. tomorrow on radio station KTIM's "Marin Sounding Board" program. Kitty Openheimer will be moderator.

Guests will be Aaron Green of the Frank Lloyd Wright Foundation; Robert Rothchild, contractor; Leland H. Jordan, county counsel and Marvin W. Brigham, county director of public works.

Listeners may telephone questions during the broadcast. The program will be re-broadcast on tape recording at 12:30 p.m. Sunday.

### Policy Workshop

The League of Women Voters of Central Marin foreign policy workshop will meet at 8 p.m. tomorrow at the home of Mrs. Ulrich Kraemer, 805 Penny Royal Lane, Terra Linda, to plan activities.

## OLD ACQUAINTANCESHIP RENEWED

Russell Lawson of Dillon Beach, a 4-H Club member, is mighty proud of Faro, the Guide Dogs for the Blind pup he raised. Faro, after training at the Guide Dogs school in San Rafael, became "eyes" for Melvin Kahn of Alameda and was graduated with him among the latest class at the school. Russell and other 4-H members who have raised puppies for Guide Dogs will attend their annual field day at the school at 350 Los Ranchitos Road tomorrow starting at 10 a. m.

# State Highway Engineer Declares Widening Could Start Soon—If

Expansion of Highway 101 to eight lanes through San Rafael could begin in 18 months to two years if an immediate agreement could be reached as to route.

That assurance came from R. A. (Art) Hayler, district engineer for the State Division of Highways, yesterday. Hayler explained the alternate plans now under consideration to more than 100 San Rafael business men at a luncheon meeting at Bermuda Palms.

(Another public discussion of the plans is set for next Monday at 8 p.m. at a special meeting of the San Rafael City Council in San Rafael High School auditorium.)

Yesterday's luncheon meeting was called by J. B. (Joe) Rice, veteran Francisco Boulevard businessman, who urged immediate approval of the plans so work can commence.

"We have just got to admit to ourselves that the present route cannot be changed, we must accept that," he declared, explaining that he expects his property at 430 Francisco to be taken by the division of highways.

Rice observed that the combination of railroad tracks and canal where Irwin Street runs under the 101 viaduct is "the worst possible situation to work with."

He doubted if any better plan could be found than that presently being recommended by the state highway engineers.

"Let's not delay it; we must do nothing to impede it," he declared.

Hayler showed sketches of the proposed plan for a second parallel viaduct just west of the present one. Northbound traffice leaving the freeway would come off onto Irwin Street; existing connections to Francisco boulevard would be closed. Traffic entering the freeway southbound would use a new one-way street to be built by the state paralleling the viaducts on the westerly side.

Hayler also envisioned an extension of Grand Avenue across the canal to connect with Francisco. Another conneetion would tie Francisco to DuBois Street in the vicinity of the intersection of Lincoln Avenue and Irwin Street.

It is possible that a huge interchange might also be erected at the present site of the Irwin - Francisco intersections off ramps.

to connect Highway 101 with a new freeway extending through San Rafael to West Marin, Hayler said.

Paul Ciampi and Roy Michael, San Rafael businessmen, suggested that "outside" engineeers be employed as consultants to review the plans with a view to possibly improving them.

Rice responded that if there is anything wrong with the state's engineers, the state ought to hire better ones.

Hayler said outside engineers already had seen the plans and found them "very good." However, Hayler added, "they will put a lot of traffic on San Rafael city streets that San Rafael will have to deal with."

Rice asked all in attendance to sign a petition urging city, county and state officials to work for "an immediate solution."

His petition also called for immediate extension of Woodland Avenue to connect with Jacoby and Simms Streets, approaches to the San Quentin interchange. This, he said, would help alleviate congestion at Irwin and Francisco on and

# Board Grants Service Station Near College

In spite of a last ditch battle for Kentfield academic calm, permission was granted by 4-1 vote of the Marin County Board of Supervisors yesterday for Standard Oil Co. to erect a service station fronting on College Avenue.

This ended a contest which started in 1958, when the company won planning commission approval of a use permit for the Ethel Righetti property north of Stadium Lane, only to be turned down by the supervisors.

Since then, opening of the Bon Air Bridge has cut traffic by 2,000 vehicles a day, attorney Roderick P. Martinelli Jr. told the board yesterday. That was why the company returned with another application for use permit, he said.

As before the planning commission — which this time approved by a narrow 3-2 vote with one member absent—representatives of the College of Marin and Kentfield School District were vocal in objections.

"This is close to property we expect to develop shortly," said Kent O. Seymour of the college board. "We expect to double the size of our school within the next five years."

Harold R. DePue, Kentfield district superintendent, expressed opposition to possible heavier traffic and said more fumes might create a health hazard. He said the Parent-Teacher Assn. and other representatives interested in the school were present and of similar view.

Martinelli said the daily traffic in 1958 was around 9,600 but that Bon Air Bridge had cut this to where a count last November gave 7,500. He noted lack of opposition by residents and presented a petition signed by 50 residents in favor of the service station.

Martinelli said Standard Oil has no other station in the vicinity but "50 to 75 per cent of residents hold Standard credit cards."

Only Supervisor Vera L. Schultz voted "against another use permit.

In other planning matters, the county supervisors:

1. Approved amendment of the Tiburon master plan to include relocation of the Strawberry Recreation Center.
2. Rezoned the Geraldine Beard and other Kentfield properties off McAllister Avenue, by Stadium Way and Corte Madera Canal, from one-family to duplex.
3. Continued to Aug. 9 Ralph D. Smith's appeal against planning commission denial of his development of his Tamalpais Valley property as seven lots. The planners had ruled he could have only five lots. He said the seven-lot size for years had been the basis for taxation and a sewer assessment of $230 per lot. The supervisors said they'd go and have a look.
4. Approved a master plan for Crescent Heights, supported by the Tiburon Coordinating Council.
5. Granted Hoytt Enterprises a use permit for a Union Oil Co. service station at the Marinwood Shopping Center.
6. Approved Dorothy Clarke Abbott's application for an "Antiques" sign on the Old Inverness Store in Inverness, and Joseph L. Giomi's application for a sign for the Santa Venetia Super Market.

## Novato Council Introduces One-Way Street Amendment

Novato city councilmen last night approved introduction of an ordinance amendment which would make it easier to change the one-way status of Center Road.

At present councilmen must have an engineering and traffic study to change certain traffic patterns and signs.

Under the amendment, the council could make changes after hearing recommendations from a traffic committee. This would make possible changing the one-way portion of Center Road to two-way status or reversing the present one-way direction without a lengthy and costly study.

Residents have protested the present one-way status, placed on the road by the county before city incorporation.

In other business last night, the Novato council:

1. Approved annexation of a parcel of land south of Center Road and adjacent to Sutro Avenue. It is the first annexation approved for the new city.
2. Set for Oct 4 a hearing on an appeal from the city planning commission on development of 120-place trailer court on Railroad Avenue. The continuance was granted at the request of the developers.

# Employee Medical Review Ordered

The Marin County Board of Supervisors decided yesterday to have a third "impartial" doctor review cases of conflicting medical reports on the health of county employees.

The matter came up in connection with six road department employees who were classified by the county physician for restricted placement because of physical condition.

The six have brought in private physicians' certificates stating they are capable of performing their duties, the supervisors learned.

Last week the board had asked that the services of the California Bureau of Vocational Rehabilitation be utilized to assist in training these men for other work.

County Administrator Donald A. Jensen said his office had cancelled appointments with the bureau on behalf of the six men.

Prior to referral to the bureau, it "seems proper to clear up the questiton of the physical condition of each of the employees involved," Jensen said in a letter to the board.

On motion of Supervisor William D. Fusselman, the board agreed to utilize a system previously set up for workmen's compensation cases and have a third impartial doctor review the conflicting reports, then make a recommendation.

FORT SILL, Okla. (AP)—An announcement in the Army newspaper at this artillery and missile center said a movie was to be shown "to all married military personnel." Title of the show was "One Day's Poison."

## Teeners Forming Loma Verda Group

More than 30 teen-agers met with directors of the Loma Verde Home Owners Assn Monday night to take first steps in organizing a teen group for the area.

Ross Swett, a San Rafael High School student, was elected temporary president of the teen group. Sheila Clare was elected temporary secretary. The group will meet at the Loma Verde School Monday to elect permanent officers.

The teen group will be under direction of the homeowners association, representing some 150 families in the area, association president Harlan Clare explained.

AT THE AIRPORT—Vice President Richard M. Nixon talks to crowd welcoming him at Los Angeles International Airport. Nixon flew on to Hawaii today to continue his campaign for election as president on the Republican ticket. (AP Wirephoto)

## Nixon Charges Demo Platform Bought Labor

LOS ANGELES (AP)—Richard M. Nixon flew his campaign to Hawaii today after charging his opposition paid with the Democratic platform for the support of labor union leaders.

The Republican presidential nominee and Mrs. Nixon boarded their chartered plane before dawn for a history-making political trip to the mid-Pacific islands that make up the 50th state.

Nixon, due to land in Honolulu this afternoon, will be the first presidential candidate to seek votes in Hawaii. Sen. John F. Kennedy, the Democratic contender, plans to visit Hawaii and Alaska around September.

At the end of the first day of his hurry-up campaign tour to the West Coast and Hawaii, Nixon accorded a returning hero's welcome at Whittier College, his alma mater. It was his third election year homecoming to the college in his home town, 20 miles from Los Angeles.

Hundreds of townspeople applauded as Nixon's motorcade went by, and a crowd of at least 16,000 packed the little stadium where Nixon played on Whittier's football squad as a substitute tackle.

In his speech Nixon said that "keeping the peace without surrendering principle" is the foremost responsibility of a president. The Eisenhower administration, he said, is keeping America strong, not because it wants war, but because "we know this is the way to avoid war."

He held to a policy of firmness without engaging in a war of words in dealing with nations that threaten the peace. He also said the United States wants "the fact of disarmament instead of the fiction of it," which he said the Soviets have been composing.

On their way to Los Angeles, the Nixons stopped at Reno, Nev., for a rousing reception by several thousand men and women celebrating "Pat Nixon Day." Mrs. Nixon was born in Ely, Nev. Another several thousand welcomed them to Los Angeles in an airport demonstration.

*TAKEOFF DELAYED*

## FBI Arrests Reno Cabbie In Nixon Plane Bomb Hoax

WASHINGTON (AP) — Federal Bureau of Investigation agents in Reno, Nev., today arrested a taxicab driver on a charge that he falsely reported a bomb had been concealed on Vice President Richard M. Nixon's westward bound campaign plane.

Nixon, Mrs. Nixon and their party are using a United Airlines charter flight on their trip to Hawaii, which made a stop at Reno yesterday before departure for Los Angeles.

FBI Director J. Edgar Hoover today disclosed that shortly before the Reno takeoff, a man approached flight personnel and said, "Your airplane is not going out today. I just put a bomb on it."

The man then drove away from the airport in his cab.

The takeoff was delayed slightly to permit a thorough search of the plane and luggage, which disclosed no bomb.

Hoover said FBI agents traced the bomb scare to Leonard Dale Sage, 34, who was taken into custody at his home in Reno this morning.

## Coffee Breaks Brewed On Job

HOBOKEN, N. J. (UPI)—A survey by the Pan American Coffee Bureau shows that 43 per cent of the nation's 66-million-man work force takes at least one coffee break a day.

About one out of every five workers brews his own coffee on the job, the bureau added.

## Stolen Goods Charges Dropped By D.A.

The Marin County district attorney's office has dropped charges of receiving stolen goods against Mervin C. Michetelli, 22, of South San Francisco, because of insufficient evidence.

Micheletti was arrested by sheriff's deputies in connection with a series of West Marin burglaries. He is being held for San Mateo and Mendocino county law enforcement agencies.

## 48 Counties Enter Displays At Fair

SACRAMENTO (UPI) — The greatest pageant of California products in the history of the State Fair is shaping up, according to fair officials.

Officials said that 48 counties—the largest entry list in 32 years — will compete for $65,400 in prize money at the fair Aug. 31-Sept. 11.

They get the money on the basis of county displays.

## Reuther Says Johnson Earned Labor Backing

HYANNIS PORT, Mass. (AP)—Walter P. Reuther, president of the politically powerful United Auto Workers Union, said today Sen. Lyndon B. Johnson has won the right to have organized labor's support for election as vice president.

Reuther spoke out after a talk with Sen. John P. Kennedy, the Democratic presidential nominee, who smiled widely at Reuther's words.

They stood side by side on the lawn of Kennedy's summer home to address a news conference.

Reuther has been one of the earlier Kennedy-for-President supporters. Friends, however, said Reuther, like some other labor leaders, was dismayed when Kennedy chose Johnson.

Asked whether he always had considered Johnson an "excellent" candidate, as he described him today, Reuther parried: "In conventions and contests people have preferences."

He said he can speak only for himself but he believes organized labor "will make clear shortly" its support of the Democratic ticket's "two excellent candidates."

A reporter told Kennedy that Vice President Richard M. Nixon, the Republican presidential nominee, had stated that Kennedy "paid the price for labor's support."

"I wonder what he meant?" Kennedy said.

Reuther at this point said he'd like to comment that "the American labor movement is going to work hard for this ticket—we're going to support Kennedy and Johnson. Senator Kennedy is supporting the things American needs. He hasn't had to pay a price."

Gov. Michael V. Di Salle of Ohio was expected here later today.

Tomorrow Kennedy switches to talks on farm problems, planning meetings with Gov. Herschel Loveless of Iowa, whom many regard as a likely choice for secretary of agriculture if Kennedy wins the Nov. 8 election.

### Forest Fire Spreads

SAN BERNARDINO (UPI)—About 500 firemen today fought a rapidly spreading fire which has blackened more than 5,000 acres in less than a day in San Bernardino National Forest.

The unchecked blaze was only three miles from the resort town of Wrightwood and moving toward the community.

## Sale Of Water Company Held Periling Inverness

"Destruction of the village of Inverness" is threatened by terms of the recent sale of the Inverness Water Co., the Marin County Board of Supervisors was told yesterday by a group of embattled residents.

Bruce Johnstone appeared as head of a delegation of six Inverness residents and as spokesman for the Inverness Public Utilities District, to ask for services of County Counsel Leland H. Jordan in an impending fight before the California Public Utilities Commission.

Crux of the trouble, said Johnstone, is that in selling the 60-year-old water system last month, Larry Marks retained about half of its traditional 360-acre watershed for his own use.

"Twenty acres of the retained portion has already been offered for sale," said Johnstone. "If a subdivision is put above us, we face immediate contamination of one of the main sources of our water supply.

"There could be eventual destruction of our village because of destruction of our water supply."

The seller, a full-time navigator for Trans World Airlines, flies European routes out of New York and is in Inverness about two weeks a month. After operating the water system for 29 months, he sold it to Citizens Utility Co. of Stamford, Conn., a worldwide firm.

At the time of the sale Marks said the Public Utilities Commission had given approval and that plans of Citizens Utility were to join the Sea Haven and Inverness systems physically. He denied that he had plans for the property he retained.

Johnstone said he went first to Jordan in learning of the impending "diminution and impending pollution" of Inverness's water, also discussing the matter with Supervisor James Marshall after finding from the commission that it would be necessary to have an attorney for the purposes of protest.

"We want Mr. Jordan to appear before the commission to protect the district," said Johnstone.

Marshall moved and Chairman Walter R. Castro seconded that Jordan be authorized to act, with no charge against the district.

The Salvation Army was officially established in the United States in 1880.

## Sausalito Apartment Proposal Approved

Rob Rose, representing Sausalito Parkways Associates, Inc., won approval from the Sausalito City Council last night for a variance which permits him to start work on a 14-unit apartment building at the foot of El Portal Street across from the Plaza.

Rose said today work will start as soon as he works out further plans.

Rose had sought use permits and variances to build on the property under several different plans. A request to develop El Portal into a pedestrian mall was denied, as was a request to build a restaurant, 10 shops and a cocktail lounge. However, in April, Rose won a use permit to construct two shops in the old Sausalito post office building.

The three-story apartment house, covering 18,100 square feet, will be constructed on the site of the present Art Boates garage, with one apartment extending into a portion of the post office building. For this reason the variance was required.

There are to be seven one-bedroom apartments, with decks, on the main floor, and six two-story two-bedroom apartments with balconies above. Over part of the post office will be one three-bedroom apartment.

No boat anchorage is planned since the water is too rough, Rose said. Offstreet parking will be furnished all apartments in a courtyard. Architect is Albert Seyranian of San Francisco and landscape architects are Royston, Hanamoto and Mayes.

Approval was unanimous, all five council members being present.

The council also approved Rose's tentative subdivision map for his Toyon Terraces No. 2 subdivision.

The council also:

1. Heard City Manager Charles A. Brownell June 20, 1960 financial report for the city which gave the total revenues during the 1959-60 year at $413,000, exceeding the budget estimate by $31,000. Total expenditures for the fiscal year 1959-60 amounted to $388,900, exceeding the budget by $6,600.

2. Approved 5-0 a building permit to add a room with bath and outside stairway to an existing duplex for use as office and studio for John Brebner at 317 South Street.

## Board Approves Location Of Taxi Stand In Tiburon

Tiburon's long-debated taxi stand is finally to be located just where the town's chief property owner least wants it —just north of the Main Street entrance to Fred G. Zelinsky's parking area.

Study of the limited possibilities of the town, ordered some time ago by the Marin County Board of Supervisors after decision that Tiburon should have a taxi stand, convinced Sheriff Louis P. Mountanos and Public Works Director Marvin W. Brigham that the place should be at either the north or the south end of existing private parking on Main Street.

But Supervisor William D. Fusselman blocked the first location because it would be in front of the John Musso bake shop and he was told Musso wouldn't be happy.

Inquiry elicited that Zelinsky wouldn't be happy over use of the other end, so it was decided to put the stand in front of the Bank Building at the end of the street.

Brigham reported a check showed this location was not possible because of entrance to the yacht harbor.

The board ordered use of the last space on the west side of Main Street despite Zelinsky's previous objection.

The supervisors also:

1. Approved a request from Kentfield School Districts to use county equipment to cut weeds at Wolfe Grade and Kent Schools.

2. Approved payment of $1,420 to Las Gallinas Valley Sanitary District for annexation of the fairgrounds property to the district.

3. Received the county clerk's certification of votes cast at the special Retirement Assn. election for a second member of the board of the county employees retirement system. W. P. Duhamel was elected.

4. Appointed William V. Brown as fire warden at $395 per month, and Marie Dolores Hecht as intermediate typist clerk for county schools at $310.

5. Sought legal information as to whether the Mill Valley Chamber of Commerce application for $2,500 promotion funds had come too late for budget consideration.

6. Authorized Robert Atkins to dismantle a Woodacre house condemned as dangerous, but which the county fire chief reported he did not dare burn at this time of year.

## Sanitary Unit Election May Be Canceled

Directors of the Corte Madera sanitary district will call off their scheduled Sept. 13 election if no more candidates for the board file petitions by tomorrow's deadline, said Herbert I. Vernet, board chairman.

Three vancancies on the board were to be filled. Posts are now held by Harold A. Snyder, Ernest T. Mock and C. A. Miller. All three incumbents have filed for re-election but no one else has, Vernet reported.

If no other candidate files, the election will be canceled, and the three incumbents will be appointed to new four-year terms, he said.

## Marinite Named To New Freighter

Joseph W. Wadick of San Rafael has been named first assistant engineer of the Hawaiian, Matson Lines' new bulk sugar and cargo container carrier, nearing completion of conversion work at Alabama Drydock and Shipbuilding Co. in Mobile.

Wadick, a 22-year veteran with Matson Lines, and his wife, Olive, live at 1083 Las Pavadas Avenue.

The Hawaiian, a C-4 type freighter, originally built as a bulk ore carrier, was purchased by Matson, together with a sister ship, the Californian, for Hawaii service. Both vessels were taken to the Mobile shipyard for conversion to bulk sugar and cargo container vessels.

## Parish Hall Addition Speeded Along

Building permits for $134,335 in new construction were issued last month by the town of Corte Madera.

Largest single project was a $49,000 second story to the Sunday school building of Holy Innocents Episcopal Parish at Redwood Avenue and Tamalpais Drive. Contractor H. S. Meinberger and Son of San Rafael is working toward a mid-October completion date.

## 4-Hour, 50-Minute Battle Highlights State Tourney

By KARL BARRON

Some records were broken at San Rafael's Albert Field last night as 15-inning pitcher's struggle was broken with a story book home run by second baseman Terry Johnson to give Oakland's Pontiac Braves a 4-3 victory over the Burlingame Red Sox.

The second game ended the first round of the California Semi-Pro Tournament with Acme Carpet of Oakland containing the Brisbane Athletic Club, 9-2.

The first game was the first in the five day old series to go into extra innings, and it set some kind of record by running four hours and fifty minutes.

A walk and a wild pitch by Burlingame's Dave Turnbull, and a well hit single by Brave's short stop Bob Cayou combined to give the Oakland club a two run lead in the third inning.

Turnbull, who struck out 15 in 15 innings, clamped down then, and it went scoreless until the 11th for the Braves.

Braves' Lester Litszey, meantime, kept the Sox in check until the fifth, when a single, a walk, a wild pitch and another single by center fielder Jim Arveson tied it up. Arveson, the ninth man in the lineup, drove in all three of the Red Sox runs.

Litszey struck out nine men in his 10 innings on the mound. Leonard Nears batted for him in the 10th and went in to relieve.

In the 11th Nears hit catcher Dave Lage, walked Bruce Cunningham, struck out Bob Catula, and Arveson unloaded for a double and the go-ahead run.

**BRAVES BATTLE BACK**

But in the bottom of the 11th the battling Braves came back with an unearned run on two errors to tie it up, and it started all over again.

Nears got into trouble in the 12th as Lee Munch, right field, tripled with one away. An error put Bruce Day on, so Nears took no chances with Turnbull and walked him intentionally to load the sacks.

The strategy paid off, as Dave Lage hit into the double play to end the threat.

Then Nears, the portly right hander, shut the door, striking out four, and facing only one serious threat in the 13th, when an attempted steal home was nipped at the plate.

**BYE, BYE, BABY!**

Turnbull showed no signs of tiring as he struck out the first batter to face him in the 15th. And then Terry Johnson, who had gone hitless in six trips to the plate, stepped in.

Johnson watched two go by, measured the next one, and out she went! Over the left field fence by about 15 feet. Johnson had trouble touching home plate, for there were 14 teammates waiting to pounce upon him and bang his back.

The night-cap earned its name, ending at 2:05 a.m., with a handful of die-hard fans cheering on the teams. (They had traveled to San Rafael to see it, and wouldn't give up.)

Acme Carpet scored three in the first, one in the second, one in the fourth, and four in the seventh. Brisbane Athletic Club garnered two in the first, and failed to score again.

Wayne Schneider, starter for the first two innings, was relieved by Lou Profuno, who struck out 11 in his six innings for the winners.

## *L.A. QUITS TOURNEY; SOLO GAME TONIGHT*

Tonight's scheduled double-header to start the second round in the California Semi-Pro Baseball Tournament in San Rafael was reduced to a single game as the Los Angeles Shriners Club withdrew from the tournament.

L.A., which lost its opening game to Travis Air Force Base last Friday, forfeited tonight's game to the Tiburon Pelicans. The forfeiture also forced cancellation of Radio KTIM's broadcast tonight.

Tonight's lone game, to start at 8:15 o'clock, should be one of the tournament's outstanding features, as it sends the classy Travis Hawks against the defending champions, Nesbit Masonry of San Jose in the winners' bracket.

San Jose's Johnny Oldham, former Seattle Rainier star, will start on the mound against Travis ace Reese Dick. In first round games Oldham pitched a one-hit, 5-1 win over Tiburon, striking out 20; Dick bested L.A., 10-3.

*BIG LEAGUE EXPANSION*

## New York 'Certain' To Return To Nat'l Loop

CHICAGO (UPI)—The "metropolitan areas" of New York, Minneapolis-St. Paul, Toronto and Dallas-Fort-Worth today appeared the best bets to receive franchises in major league expansion plans set for 1961.

New York, an American League town since the departure of the Giants and Dodgers, was a certainty to rejoin the National League, and Minneapolis-St. Paul, which has had a ball park ready and waiting for five years, appeared almost as sure to become a new member of the American League.

Major league expansion committees, reached agreement in a "blitz" meeting with Continental League officials yesterday to recommend granting franchises to four clubs of the proposed third league.

Walter O'Malley, president of the Los Angeles Dodgers, speaking for the majors, and Branch Rickey, president and spokesman of the Continental League, said no decision had been reached on which clubs to admit into the big time.

**"We will recommend expansion by 1961, if possible, and if not, by 1962," O'Malley said.**

But both, along with Bill Shea, founder of the Continental League, left no doubt that New York would be granted a National League franchise to field a team in time for the 1961 season.

Minneapolis-St. Paul sources said they also "felt confident" of gaining American League entry, although Whitney Wheelock, president of the group, said he "would keep working and take nothing for granted."

Major and Continental League representatives indicated privately that Houston, because of large indemnity payment problems, apparently was out of the picture at the present time and that franchise seekers from Atlanta, Denver and Buffalo would fail to qualify for big league membership.

This left Toronto, which already has a club in the International League, and Dallas-Fort Worth, a metropolitan area of more than one million population.

The decision to expand from within rather than recognize a third major league came swiftly after the first two hours of a three-hour meeting were taken up with a nine-page application presented by Rickey and Shea.

O'Malley, representing the National League, and Del Webb, the American, agreed in caucus to merge into one committee, and then gave the floor to Lou Perini, president of the Milwaukee Braves, who offered the expansion proposal.

After a hurried huddle, Rickey, Shea and representatives of the Continental League clubs, agreed to accept the proposal, on condition that the committees would "look into the situation after a reasonable time" for admission of the four remaining clubs into the majors.

## Hub Tourney Thriller Won By Hamilton

A towering centerfield homer by Ray Browicz, with teammate Bill Terrell aboard, gave the Hamilton Air Force Base All-Stars an 11-10 last inning win last night over San Anselmo's Major League All-Stars in the second night of San Anselmo's second annual Youth Baseball Tourney.

In a Minor League contest Gallinas Valley defeated San Rafael, 10-8.

Tonight at 6 o'clock Junior League All-Star (13-14-year-olds) Tournament play begins with San Anselmo matched against Gallinas Valley. On Memorial Park's No. 2 diamond a minor game will pit Hamilton and Fairfax.

Last night's dramatic finale in the Major League came on only minutes after San Anselmo, behind 9-8 going into the sixth, had gone in front 10-9 off Allan Simontacchi's second two-run homer of the evening. His first came in a six-run second inning when teammate Larry Wagner, three for three for the night, slammed a three-run homer. Hamilton matched the flurry with a six-run fourth.

Sharing hero honors for Hamilton with Browicz was Herb Lyons, who hit three for three, including two doubles and took the pitching victory with a one-inning relief chore.

Only extra-base hit in the Minor contest between Gallinas and San Rafael was a double by San Rafael's Kim Johnstone in the fourth. The winners got two hits, the losers three; walks made the difference.

*MARIN STARS IN SHRINE TILT*

Kent Francisco of San Rafael (right), who along with Tamalpais High's Bob Hector will play for the North in Friday night's North-South Shrine Football Classic in Los Angeles, visited Shriners' Hospital in L.A. this week with other members of the North team. They stopped to chat with 13-year-old Albert Young. Other stars in photo are Ron Calcagno (left) and Mike Chase of St. Ignatius High. Francisco has been named starting tackle on offense. Hector, a guard, was not listed on the starting lineup, but is expected to see action in the game featuring the state's outstanding high school graduates.

## Giants Get New Battle Cry: It's 'Wait Till Next Season'

PHILADELPHIA (UPI) — The San Francisco Giants tonight try to bounce back after a disastrous series opener that saw the plucky Philadelphia Phils sweep a double-header and just about squash Giant pennant dreams for 1960.

It's a long drive to the top for the Giants and just a short putt to permanent second division status for the fifth-place San Franciscans are now seven games behind first-place Pittsburgh and a full two games to the rear of fourth place St. Louis.

A howling crowd of 26,273 watched the Phils capture 7-3 and 6-5 wins in a hot and humid night.

Nothing went right for the San Franciscans. They stranded 13 men on the basepaths in one game; third-sacker Joey Amalfitano was beaned; the rookie sensation Juan Marichal was knocked out of the box for the first time; and those two glaring Giant weaknesses—defense and relief hurling—were in prominent evidence.

Some sloppy fielding by Orlando Cepeda in the third inning of the opener helped the Phils grab a 3-1 lead. But with two men down in the fifth, the roof fell in on Giant starter Jack Sanford. Rookie reliever Sherman Jones got the side out after dishing up a triple.

San Francisco scored one in the sixth and had a genuine rally going in the ninth when they scored a run and had the bags jammed when Dale Long lined out against the Phils' flashy reliever Dick Farrell.

**13 STRANDED**

Willie Mays, Bob Schmidt and Filipe Alou whacked eight out of 10 of the Giant hits. San Francisco stranded 13 runners as they hit rookie Dallas Green freely, but could not muscle up the big hit when it counted.

Amalfitano was felled in the first inning of the second contest when Johnny Buzhardt hit him in the neck. He was expected to be back in action in a day or two.

Marichal and the Giants grabbed a 5-2 lead in the seventh with Jimmy Marshall, Filipe Alou and Hobie Landrith banging hits in a three-run sixth-inning rally.

Marichal, whose record was and is 3-0, was driven to cover in the seventh and Johnny Antonelli came in and promptly gave up three straight hits. It was 5-5 after the seventh with Stu Miller in for the Giants and the flame-throwing Farrell back on the hill for Philly.

In the ninth—again with two down—the Phils bombed three hits to push across the deciding marker and perhaps change Giant fans' cries of "All The Way In '60" to "Wait Till Next Year."

## Marin All-Star Teams In Tournament Play Tomorrow

Two Marin County All-Star baseball teams will open district tournament play tomorrow with hopes of advancing through national competition in the weeks to come.

They are the Southern Marin All-Stars, champions of their area tournament in Pony League play, and the Twin Cities All-Stars, District 3 Little League champions.

Southern Marin travels to San Jose for the Northern California District Tournament. The Marin boys qualified by beating Northern Marin and Sebastopol last weekend. First round games are scheduled for tomorrow, but Marin won't know its first opponent until drawings are made tonight.

Meanwhile, the Twin Cities Little Leaguers will take on North Ukiah tomorrow in the Sonoma Tournament starting at 6 o'clock. Twin Cities defeated Gallinas Valley last Saturday in the Marin County finals.

## Larkspur Youth Eliminated In Texas Tournament

MIDLAND, Tex. (AP) — The seventh annual Jaycee Tennis Championships sizzled into the third and fourth rounds today with all but one of the top contenders still in the running.

Favorites in the junior division, led by Paul Palmer of Phoenix, Ariz., advanced without much difficulty yesterday.

It appeared the major battle was being waged with the terrific heat as temperatures hovered close to 100 degrees.

Palmer, No. 1 seed, moved into the third round with a 6-2, 6-1 victory over Clyde Witt of Larkspur, Calif.

The only casualty among the seeded was Jim Parker of Creve Coeur, Mo., who pulled a leg muscle and had to forfeit.

## Raiders Drop Spartan Star, Five Others

SANTA CRUZ (UPI)—Charlie Kaaihue, 235-pound offensive guard from San Jose State, has been dropped from the Oakland football squad for disciplinary reasons while five other players were placed on waivers by coach Eddie Erdelatz.

Erdelatz made no comment on why Kaaihue was cut from the team. He had been running with the first string in early practices, but had been sidelined recently by injuries.

Also cut were halfbacks Bob Fails, Idaho State; Alex Gardner, South Carolina State; and Ray Peterson, Virginia; tackle Roy Boykin, Michigan State, and guard Bob Harrison, Washington State.

### Jockeys Sidelined

DEL MAR (AP)—Jockeys Ralph Neves and Gordon Lanoway begin a five-day suspension tomorrow for careless riding in last Saturday's $16,295 Oceanside Handicap at Del Mar.

## Gordon To Tigers, Dykes To Take Over Indians

WASHINGTON (UPI) — The Cleveland Indians and Detroit Tigers traded managers today in a move unprecedented in baseball history. Joe Gordon will take charge of the Tigers and Jimmy Dykes will assume control of the Indians Friday.

General Manager Frank Lane of Cleveland announced the transfer of managers at a morning press conference while having breakfast with Gordon in their Washington hotel room.

Although thousands of players have been exchanged between clubs during the 84-year history of organized baseball, this was the first case of a direct swap of major league managers.

"We haven't been getting results we should have," Lane explained. "Neither has Detroit. Both clubs are having a heck of a time staying ahead of Washington. There are too many good players on both teams for them to be down where they are."

Both Gordon and Dykes will sign new contracts. Dykes' pact with Cleveland will run through the rest of this season only. However, Detroit will match Gordon's existing contract and sign him through the end of the 1961 season.

Coach Jo Jo White will be in charge of the Indians until Dykes arrives. Coach Billy Hitchcock will handle the Tigers until Friday.

The Cleveland general manager said that the deal was first suggested by Detroit General Manager Bill DeWitt three weeks ago while the two were discussing player deals.

According to Lane, he considered it a joke at that time but he said "it looked in the last two or three days that a change would help us.'

The Cleveland front office head man termed the switch of managers "a shot in the arm" for both clubs. Cleveland is now in fourth place; Detroit in sixth.

Late last year, Gordon was fired as Cleveland manager by Lane, but was rehired a few days later. Today Lane said "nobody can fault Gordon for any failure, but we are not getting the results we want to have, or Detroit wants to have."

He said he and Gordon got along better than any manager or general manager in the business.

Gordon said he was sorry to leave Cleveland, but added "if I can do anything to help an unpleasant situation, I will do it."

Of the faltering Indians, the former New York Yankee second baseman said "I tried everything I know and nothing has worked."

## Patterson Peeved; Nixes Nov. 1 Date

NEW YORK (AP)—Peeved because he said he had not been consulted about the date, Heavyweight Champion Floyd Patterson indicated today he would not fight Ingemar Johansson on Nov. 1 in Los Angeles.

Patterson said he learned the date of his third title bout with Johansson from a gas station attendant who had heard it on the radio.

"You'd think that since I'm the champion the promoters (Feature Sports, Inc.) would be polite enough to ask me," the champ said. "I might fight Johansson before Nov. 1 or after Nov. 1, but I'll not fight him on Nov. 1."

## Cards Clout Braves; Bucs Boost Lead

By ASSOCIATED PRESS

Just 10 weeks ago, irate St. Louisians were yelling for Solly Hemus' scalp. Today they're ready to challenge anyone who doesn't think he's the National League manager-of-the-year.

On May 19, the Cardinals were in seventh place and Hemus was a bum. After whipping the Milwaukee Braves last night 4-2, the Cardinals were in third place, only 4½ games off the pace, and Solly is a genius.

Hemus is neither a bum nor a genius. But he has proven himself to be a sound strategist and a fine handler of his players. His decision to play Bill White at first base, Curt Flood in center field and Stan Musial in left field, was a master stroke.

Since Hemus instituted his new alignment, the Cards have won 24 of 38 for a .684 percentage. Last night's victory, behind Ernie Broglio's five-hitter, ran the Redbirds' latest winning streak to five.

Pittsburgh's league leaders boosted their margin over the runner-up Braves to three games with a 3-0 triumph over the Los Angeles Dodgers. Philadelphia stunned San Francisco by sweeping a doubleheader from the Giants 7-3 and 6-5 and Chicago's Cubs downed Cincinnati 5-3.

**YANKS COP PAIR**

New York's Yankees opened up a full game lead over Chicago in the American League, whipping Detroit in a day-night twin bill, by 3-2 scores as Baltimore defeated the White Sox 6-2. Washington shut out Cleveland 9-0 and Kansas City thrashed Boston 10-4.

Broglio, the Cards' steadily improving right-hander, boosted his season record to 12-5 as he whipped the Braves for the fourth time in five tries. He hurled hitless ball the first five innings but tired in the eighth. Lindy McDaniel, the ace fireman, relieved superbly, striking out two of the last three batters in his 17th save.

Ken Boyer drove in a pair of Cardinal runs with his 22nd home run and a double. The Card victory shoved them a half-game past the Dodgers and only 1½ games behind the second-place Braves.

Vern Law pitched the Pittsburgh shutout yielding only five hits as he whipped the Dodgers for the fourth time. Stan Williams kept pace with him for six innings but a walk, a sacrifice, an error, a single by Bill Mazeroski and a double by Dick Groat gave Pittsburgh all its runs.

TRAGEDY AT MARINE BASE

# U.S. Olympic Team Stunned By Death Of Bob Gutowski

CAMP PENDLETON (AP) — Handsome Bob Gutowski, 25, cinderella-like hero of the 1956 Olympics and official world pole vault record holder, was killed in a head-on auto collision yesterday.

The modest silver medal winner at Melbourne died instantly in the wreck at this Southern California Marine Corps base. Officials said Gutowski, a Marine lieutenant, was driving to his home on the base when a car on the wrong side of the street slammed into his auto. The driver of the other car, also a Marine, was killed.

In 1957, Gutowski sailed 15 feet 8¼ inches to beat Cornelius Warmerdam's mark of 15-7¾ that had stood for 15 years.

Gutowski's record was bettered last month by Don Bragg, who vaulted 15-9¼ in the Olympic trials at Palo Alto. Gutowski, bothered all season by leg injuries, failed to make the team.

Characteristically, he made another bid for an Olympic berth in the gruelling 10-event decathlon, but finished well down the list.

Death of the 6-foot, 150-pounder stunned the Olympic team, prepping for Rome at Covina.

"As far as I'm concerned he's still the world record holder," said an emotion-choked Bragg, whose pending record probably will erase Gutowski's from the record books.

Bragg referred to Gutowski's magnificent vault of 15-9¾ in 1957 that was rejected as a record because his pole was windblown back into the sawdust pit.

"They should have accepted it," said Bragg, who had competed against Gutowski in half a hundred meets.

**NICKNAMED 'GUTS'**

Gutowski's friends called him "Guts," affectionately and with good reason.

As an alternate, Gutowski didn't think he'd compete in the 1956 games in Australia. Then, in a fine demonstration of sportsmanship, ailing Jim Graham of Oklahoma A&M gave Gutowski his place.

Gutowski was nursing a pulled stomach muscle. But he cleared the bar at 14-10⅜, a scant inch and a quarter behind the Rev. Bob Richards, who placed first.

Gutowski, a basketball letter man at Occidental College in Los Angeles, had been in the Marines more than a year. He leaves his widow, Joanne whom he married 18 months ago.

## Buc Series Will Make Or Break Pennant Hopes Of S.F. Giants

PHILADELPHIA—Fate of the 1960 Giants will be settled before this week is out, and it will be determined at the next road stop in Pittsburgh where they will play a four-game set with the league leading Pirates.

HANLEY

What happens in this four game series not only will settle the Giants' own chances at the pennant, but also materially affect those of the Braves, Dodgers and Cardinals.

The Giants and Pirates are 7-7 for the season. One game ended in a 7-7 tie June 28. That game will be replayed from scratch as part of a Sunday double header.

"We're even with them going into Forbes Field," said Tom Sheehan. "I hope when we come out of there Sunday night that the record will read 11-7 in our favor."

Having said "11-7," the Giant skipper rolled it around on his tongue a couple of times more. "It sounds nice," he said, "but I'll also settle for 7-11 with those fellows still on the short count."

Sheehan knows that it will be a very tough assignment to beat the Pirates on their home field.

"Sure, they are hard customers at home but not unbeatable," he said. "With a little luck—and we have a few breaks coming to us—we might turn the trick. Certainly, that is the intention we have."

Sheehan acknowledged that the Giants must have more than "a little luck" going for them. "It will require the basics—pitching, hitting and fielding, of course—but sometimes even those are not enough without a break here or there. And as I said I think we have a few coming to us."

Anything less than a series sweep—a very tall order—is not going to help the Giants much. Even a 3-1 series victory would mean only one game gained on the pace-setters. An even 2-2 split would not change anything insofar as the Giants-Pirate standings are concerned.

"When you get your shot at the leaders you must make every game count," said Sheehan. "One won from them is as good as two won from anyone else. That's why we must make our move now.

"Ever since they beat us those three straight in Candlestick back in mid-June they have been out in front except for one 24-hour period when the Braves caught up with them."

Sheehan might have mentioned, but didn't, that those three mid-June losses by the Giants to the Pirates cost Bill Rigney his job and projected Sheehan most unexpectedly into the manager's job.

Whatever the outcome of the Giant-Pirate series this weekend, one thing is certain: Forbes Field will be jammed.

Pirate home attendance is running 177,000 ahead of last year and more than 100,000 ahead of the all-time Pittsburgh home record year of 1948.

## Palmer Still Top Pro Golf Earner

Dunedin, Fla. (UPI)—The Professional Golfer Assn.'s weekly standings show Arnold Palmer of Ligonier, Pa., still leading the top 10 money winners with a total of $68,700.

Palmer has played in 20 professional golf tournaments, won five and placed in the first five 12 times.

Runnerup in the top 10 is Dow Finsterwald of Tequesta, Fla., with total earnings of $37,400. Third is Ken Venturi, Palo Alto, Calif., with earnings of $34,900 and, fourth, Mike Souchak, Durham, N. C., with $32,100.

Jerry Barber, Los Angeles, is fifth with $31,200.

## Pop Warner Sign-Ups Set For Saturday

Marin Pop Warner football sign-ups have been scheduled for this Saturday.

The program is open to boys ages 11 to 13 inclusive, and the young gridmen must sign up with the team representing their respective high school district.

The San Anselmo Hornets will sign up at the San Anselmo Little League field; the San Rafael Rangers will gather at Albert Field; the Redwood Junior Giants at Redwood High School, and the Mill Valley Bulldogs at Tamalpais High School.

The sign-ups for all four teams will begin at 9 a.m.

## Wild Duck Survey Indicates 2-Year Decline Continuing

WASHINGTON (UPI)—The Interior Department says June and early July reports on North American wild duck production give "no reason for real optimism" that a serious two-year decline has been reversed.

A more definite trend in the duck population will be known when the results of a late July aerial survey are tabulated, the department said. This tabulation will be completed sometime next week.

The Fish and Wildlife Service's biologists conduct the aerial survey over the nation's principal waterfowl nesting grounds.

The late July survey supplies data on the number of broods produced and gives a measure of the annual duck crop. It will determine whether the waterfowl population is on the way back.

Last summer, information collected by the service prompted officials to predict a serious decline in duck numbers and to develop a pattern of hunting restrictions to preserve the basic breeding stock.

The number of ducks killed last fall dropped 42 per cent—or an estimated six million—from the previous year.

The first 1960 aerial survey conducted by the service in Canada in May showed that despite this major decrease in duck kills during the past season, the number of breeding birds on the nesting grounds was about 20 per cent less than a year ago.

The service estimated these changes in the number of breeders of important species this year: Mallard, down 24 per cent; pintail, down 9 per cent; scaup, down 20 per cent; Baldpate (Widgeon), down 22 per cent, and blue-winged teal, down 12 per cent.

The shoveler was the only species recorded in large numbers during the breeding ground survey. It showed an increase of 20 per cent.

## Top Golf Stars In Memorial Play

SAN FRANCISCO (UPI)—Jerry Barber, Jim Ferrier, Patty Berg and Kathy Whitworth will match shots with hundreds of California golfers Aug. 14 in the annual Babe Didrikson Zaharias Memorial Tournament.

Barber and Miss Berg will play an exhibition match at Harding Park here while Ferrier and Miss Whitworth hold a similar match on the same day at the California Club in Whittier.

Every California golfer is eligible to compete with handicap and will match their individual net scores against the pros. Those who shoot better rounds will receive a plaque, tournament chairman Robert A. Roos Jr. said yesterday.

Northern Californians will match scores against Barber and Miss Berg while Southern Californians will fire against Ferrier and Whitworth.

## Archery Class Will Open This Sunday

The Northwoods Bowmen's Club will begin free archery instruction next Sunday at their range on San Pedro Road.

Notices and beginners, both adult and children, are invited to attend.

Registration for the class can be accomplished by calling GLenwood 4-3881, TWinbrook 2-2248, or DUnlap 8-6381.

The class will meet from 2 to 4 p.m. on the first Sunday of each month.

Students are expected to provide their own equipment.

## Big 5 Takes Prideful Look At First Year

SAN FRANCISCO (UPI)—The Big Five blew the whistle on itself today, not for infractions but to take time out and review some of the championships won this year by its member schools.

A look at the record shows that teams in the new combine came out on top in four NCAA sponsored events and finished no worse than second in five others.

The Washington Huskies got things off on the right track last January by shocking Wisconsin in the Rose Bowl, 44-8.

During the spring, California's Bears won the IRA Regatta and placed second to Navy in the Olympic trials.

Southern California's swimming team surged to the NCAA title while UCLA's tennis team won that national crown.

In basketball, California reached the finals of the NCAA tournament before getting trounced by Ohio State, 75-55. Then coach Pete Newell of the Bears took over as head man of the United States Olympic cagers.

Southern California placed second in both the NCAA track and field championships and gymnastics. The Trojans also finished second in the NCAA baseball tournament and second in the tennis championships.

Stanford's Steve Smith was the individual runnerup in the NCAA golf tournament.

"In review," said an AAWU spokesman, "it was quite a record compiled by the newest group of the NCAA which is reviving great amateur sports interest on the West Coast."

PETE'S DREAM TEAM—Coach Pete Newell, left, of the University of California, holds an international style basketball while he chats with some of the members of the dream team he will pilot in the Olympic basketball competition. Cagers who will be included on Uncle Sam's Team include, left to right, seated, Darrel Imhoff of California, Jerry Lucas of Ohio State, Oscar Robertson of Cincinnati, Jerry West of West Virginia, Bob Boozer of Kansas State and Adrian Smith of Kentucky. The new ball to be used in the Olympics resembles a king-size soccer ball. (AP Wirephoto)

## Hard Luck Rookie Quits 49er Camp

MORAGA (UPI)—Wally Bavaro, a hard-luck rookie tackle from Holy Cross, has called it quits with the San Francisco 49ers.

In 1959, Bavaro left camp after he broke his leg. This year he has been forced out of action after twisting an ankle and knee.

The 49ers planned only a single afternoon drill for today and tomorrow. They take off Friday for Seattle where they have a Saturday date with the Dallas Cowboys.

The team held its last two-a-day workout yesterday.

A TEMPTING FRUIT of summer is this Watermelon Snow Salad garnished with slices of melon and green grapes. The salad is made from watermelon-flavored gelatin. A fruit delight in the salad is fresh or frozen melon balls.

# Watermelon Salad Has Gelatin Flavor

The wonderful fruits of summer are ready for the table right now in a Watermelon Snow Salad garnished with slices of melon and green grapes. The salad is made from the new watermelon-flavored gelatin, one of the most talked-about food flavors to be introduced to the American homemaker.

Most people are delighted with the sweet watermelon flavor of the gelatin; others are not so enthusiastic. The best way to settle the controversy is to serve this Watermelon Snow Salad, with the delicate pink gelatin whipped to a molded froth that no one can resist. This recipe adds 1 tablespoon of lemon juice to the water in which the gelatin powder is dissolved. The lemon juice is suggested on the package for giving the product a tartar flavor.

Almost any fruit is a special delight in combination with the Watermelon Snow Salad. Fresh or frozen melon balls, of course are ideal. Melon and grapes are tempting in color and flavor, but canned pears, canned or frozen pineapple or apple wedges are interesting accompaniments. Banana slices sprinkled with crushed pecans add interesting flavor accent to the delicate sweet watermelon flavor of the gelatin mold.

This whipped gelatin requires no caloric dressing, so figure-conscious members of the family will cheer this tempting salad.

**WATERMELON SNOW SALAD**

- 1 package watermelon-flavor gelatin
- 1 cup boiling water
- 1 cup cold water
- 1 tablespoon lemon juice
- 1 egg white

Sliced melon, grapes or other fruit for garnish.

Dissolve watermelon-flavor gelatin in boiling water. Stir in cold water and lemon juice. Chill until slightly thickened. Beat egg white until stiff. Beat thickened gelatin until light and foamy. Beat egg white into gelatin. Pour into gelatin mold or into 8-inch square pan and freeze until firm, about 3 hours. Cut in squares. Serve garnished with melon slices, grapes or other fruits. Yield: 8 servings.

# Serve Ice Cream With A Fanfare

Ice cream has become such an everyday dessert these days that it takes a little doing to make it a treat. Dress it up with a fresh fruit sauce, or a special topping and it is once again back in first-place position as a favored refreshment.

During the summer, one of the nicest ways to entertain is by having a mid-afternoon ice-cream party. Present the ice cream surrounded by a choice of sauces and toppings. From the recipes here, pick the ones that fit your occasion best. For youngsters, by all means make the Peanut Butter Topping. It is a blend of peanut butter and maple-y flavor corn syrup. Maple, in case you haven't noticed, is a popular flavor this summer. As a quick ice-cream topping, try pouring maple-y flavor syrup over ice cream right from the bottle. Top with toasted almonds.

**PINEAPPLE-ICE CREAM SAUCE**

- ¾ cup light corn syrup
- 1 cup pineapple tidbits
- ¼ teaspoon peppermint flavoring
- Few drops green food coloring

Combine all ingredients. Cover and chill. Serve with ice cream. Makes 1½ cups.

**CHERRY SAUCE**

- 1 cup cherry preserves
- ½ cup light or maple-y flavor corn syrup

Blend the preserves and corn syrup. Serve with ice cream. Makes 1 cups.

**PEACH SUNDAE SAUCE**

- 1 teaspoon lemon juice
- 1½ cups sliced peaches
- ½ to ⅔ cups meaple-y flavor corn syrup.

Sprinkle lemon juice on peaches. Pour on syrup. Chill. Serve with ice cream. Makes about 1¾ cups.

**PEANUT BUTTER ICE CREAM TOPPING**

- ⅓ cup peanut butter
- ⅔ cup maple-y flavor corn syrup

Combine and stir until well blended. Use as topping for ice cream. Makes about 1 cup.

ICE CREAM with a selection of syrups and sauces makes a delightful afternoon treat. Sauces can be as simple as maple or chocolate flavored syrup poured straight from the bottle, or a blend of syrup and fresh fruits. One favored sauce combines maple-y flavor syrup and peanut butter.

## Supper Dish

Canadian-style bacon and hot potato salad go well together. It's an easy supper combination.

# Candy In Cooking Is Latest Sweet Trend

Candy used as a cooking ingredient is relatively new. Yet it is a good food produced in tremendous variety which is ready to add flavor and color to many "sweet" dishes.

Easiest, perhaps, are crunchy candy bars which are chopped and added to cooky doughs. For a summertime favorite, try this recipe made with Zag Nut bars, coconut peanut butter bars which remain crisp even in sticky, humid weather.

**Cooky Chews**
(Makes Three Dozen)

- ½ cup butter
- ⅓ cup brown sugar, firmly packed
- ⅓ cup granulated sugar
- 1 egg, beaten
- 1 tablespoon milk
- ½ teaspoon vanilla
- 1¼ cups sifted all-purpose flour
- ½ teaspoon soda
- ¼ teaspoon salt
- 3 Zag Nut bars, finely chopped

Cream butter and sugars until light and fluffy. Beat in egg, milk and vanilla. Add sifted dry ingredients and mix well. Fold in candy. Chill dough. Drop by teaspoonfuls onto a greased cooky sheet. Bake at 375 degrees for 10 to 12 minutes.

Caramels are another popular confection that are slowly wending their way into cooking. Because of their easy melting quality, they are often used for quick cake frostings, ice cream toppings and home-made confections.

Here is a confection cooky made with molasses kisses, a caramel variety. It is a simple combination of rice cereal, salted peanuts and melted kisses.

**Molasses Crisps**
(24 balls)

- ½ cup chopped salted peanuts
- 2½ cups crisp rice cereal
- 18 molasses kisses
- 1 tablespoon water
- 1 teaspoon vanilla

Put cereal and nuts in large buttered bowl. Combine kisses and water in top of double boiler. Heat over boiling water until candy is melted. Remove from heat. Stir in vanilla. Pour over cereal mixture; mix well. Drop by teaspoonfuls onto a buttered cooky sheet. Cool slightly, then press together to form balls. Let stand until firm.

## Sandwich Spread

For an extra-good sandwich spread, combine liver and bacon. To make it, chop four slices of bacon and cook until crisp. Remove bacon from the pan and place in the drippings 1 pound thinly sliced beef or pork liver. Cook for 5 minutes, turning occasionally. Put liver through food shopper. Combine bacon and liver with ½ cup chopped celery, 1 teaspoon minced onion, 1 teaspoon salt, 1 tablespoon pickle relish and ½ cup mayonnaise. Mix well.

## Start Day Right

The right kind of breakfast with meat provides energy and promotes efficiency for work or play.

## Use A Nippy New Sauce For Chili Dogs

Outdoor cookery can be even more fun than usual this summer because of some of the helpful new food products now obtainable.

For example, of the estimated 11 billion frankfurters to be eaten in 1960, a great many of them undoubtedly will be served this summer as "chili dogs," thanks to a new canned sauce that speeds their preparation.

Chili dogs, for the uninitiated, are grilled franks served on toasted buns and topped with a special chili sauce that normally requires long, slow simmering. Making their preparation easier and faster now is a fully prepared Chili Hot Dog Sauce with meat. It is available in a No. 1 or picnic size can containing approximately 1¼ cups of meat sauce or enough for four to five "chili dogs."

All you need do is grill frankfurters on a long handled toasting fork. Toast split frankfurter rolls on both sides and heat the Chili Hot Dog Sauce with meat until piping hot. Arrange toasted buns on plates, top with sizzling frankfurters and cover them with the sauce.

# The Artichoke Has Found Way Into California's New Cookery

By BARBARA HOSMER

The most unlikely looking of all vegetables is used equally well as a basis for many good dishes or as an enhancement for salads, with broiled meats and with egg dishes. The artichoke has found its way, via French and Italian recipes, into the center of California cookery.

And now that you can freeze artichokes, there is no reason not to keep them on hand. To freeze, use the small 'chokes and hearts. Pull off outer leaves if using the whole artichokes and trim the stem within 1 inch of the base. If you don't trim a bitter flavor results . . .

Wash thoroughly and blanche in a boiling solution of 1 tbsp. citric acid crystals to 2 quarts water, for 8 to 10 minutes for whole artichokes. Make it 4 to 5 minutes for mature hearts and 2 to 3 minutes for small hearts. Count time when solution resumes boiling. You can use 2 tbsps. lemon juice instead of the citric acid. Chill in cold running water for 5 to 15 minutes afterward and then drain well by turning bottoms up. Then package and quick freeze. Store at zero or below.

Good dips for hot or cold 'chokes are mayonnaise, melted butter, lemon butter, Hollandaise sauce, cocktail sauce or sour cream.

Cooked artichokes sliced thin or diced are good added to scrambled eggs or souffles. Also good with these combinations are chopped mushrooms and sweet green or red peppers. Sauteed artichokes are good with chops, steaks or hamburgers. Small ones are best. Cut artichokes into quarters and cook with onion or garlic in oil or butter until soft. Cook slowly, adding more oil if needed, for 20 to 40 minutes depending on size.

**ARTICHOKE PUDDING**

- 2 cups artichoke pulp
- 1 cup milk
- 2 tbsps. melted butter
- 2 eggs
- Salt and pepper

Scrape artichoke leaves and puree with hearts. Add milk, butter and fold in beaten eggs. Season. Bake at 350 degrees in casserole for half hour or until firm.

**ARTICHOKE-MUSHROOM BAKE**

- 6 small artichokes
- ¼ cup salad oil
- 2 cloves garlic minced
- ½ small onion chopped
- 2 tbsps. minced parsley
- 6 to 8 fresh mushrooms
- 1 tsp. lemon juice
- 6 to 8 wedges tomato, optional

Wash and remove artichoke outer leaves and cut about ⅓ tops off. Cut each 'choke in half lengthwise and remove choke (thistly core). Use shallow baking pan with a cover, or use aluminum foil cover. Cover bottom of pan with oil, add garlic, onion and parsley. Salt and pepper too. Arrange artichoke hearts, cut sides down. Halve mushrooms lengthwise and arrange among hearts. Sprinkle with lemon juice. Brush tops with more oil and salt and pepper again. Cover and bake at 350 degrees for 35 minutes. Tomatoes can be added the last 15 minutes. If you use frozen hearts, bake only 15 to 20 minutes. Serves 3 or 4.

**SPARERIBS WITH 'CHOKES**

- 2 sides spareribs (4 lbs.)
- ¼ cup oil or fat
- 24 very small artichokes
- 2¼ cups cooked tomatoes (No. 2 can)
- 2 cloves garlic, minced
- 1 tsp. salt
- ½ tsp. sage
- ½ tsp. rosemary

Cut spareribs into serving pieces. Brown in olive oil or fat. Trim and wash artichokes, drain well and pat dry. Arrange in and around meat. Add tomatoes and seasonings and cover and bake at 350 degrees for 1½ hours, until all are tender.

Artichokes also combine well in salads with crab or the hearts with any vegetable. The hearts may be used in a gelatin ring salad along with artichoke bases cut into small pieces.

Perhaps some of the best dishes made from the delicately flavored vegetable are Italian because the Neopolitans were the first to cultivate the thistle.

## A New Club Is Launched In Marin

The Hammond Organ Club of Marin County is a newly organized group of organ owners in Marin County. The purpose of this group is to gather all those who are interested in hearing fine organ music and who are desirous of learning to play the organ better.

Plans are being made to secure the services of a well-known teacher and organist to organize workshop sessions which will take place at meetings held on the last Friday of each month.

Programs are being planned to be not only entertaining but will be on an educational and cultural level.

Officers are Mesdames Edward Dvorak of San Anselmo, president; William Gurley of Kentfield, vice president; Anthony Taveggia of San Anselmo, treasurer; and Guy Johnson of San Rafael, secretary. Program chairman is Cecil Miller of Mill Valley.

### Blanket Washing

Blankets that are being washed should be soaked, rather than agitated to remove dirt. Agitation sometimes causes blanket shrinkage.

## Island Spirit Prevails At Hollaulea

The enchanting spirit of the Hawaiian Islands pervaded the Hoolaulea, held recently at the Tamalpais Women's Center in Kentfield, where 125 island garbed guests gathered together for the luncheon and entertainment which was sponsored by the San Anselmo Women's division of the Fred Dupuis for Congress Committee.

Mrs. Rose Elserich, as narrator, supplied the descriptive background for "Island Moods," the highlight of the program. Featured were the "Nani Iolanis" performing group of traditional island dances.

Included in the wide range of exotic rhythms were the flirtatious Coconut Dance, a one stick Ruili the Uli Uli Gourd and the Pebble dance.

The members of the group are John Del Mar, Gerald Frellson, Hal Green, Fred Zimmerman and Miss Sue Boyden, all of Tiburon. Contrasting the ancient rhythms were the contemporary island dances performed by Mesdames Grace Laboube, Lee Sherry and Greta Samet.

The mood of hilarious campaigning was presented by the "Septettes," a musical novelty act directed by pianist Mrs. Una Lawrence of San Rafael. Featured in the act were Mesdames Gertrude Adams, Anna D'Anna, Darlene Tipton, Claire Brooks, Lee Sherry, Greta Samet, and Phelecia Carol.

Guests of honor Mr. and Mrs. Fred Dupuis of Tiburon were introduced by Roger Morse of Corte Madera and Mrs. Phelecia Carol of San Anselmo.

## Many Parties Honor Mill Valley Couple

Gloria Mae Groth of Corte Madera, who will become the bride of Howard Lascy of Mill Valley on Aug. 14 at the Corte Madera Lutheran Church, has been feted at a number of parties given in her honor recently.

A unique one was a linen shower given by the prospective bridegroom's sister, Mrs. Larry Ortman of Novato, who invited him and husbands of guests also.

While Gloria and her friends followed the traditional shower procedure, the men in a separate room had their own "smoker" for Howard.

Later the two groups got together for card playing and refreshments. The table was decorated with an orchid umbrella, flowers and candles, and the cake was inscribed "Gloria and Howie, congratulations."

Guests were, in addition to the parents of the bride-elect, Mr. and Mrs. Helmer Groth of Corte Madera, and Howard's parents, Mr. and Mrs. F. Howard Lascy of Mill Valley, Messrs. and Mesdames Charles Lascy, A. P. Fedotieff, Hayes Culpepper, William Mastroianni, James Tillett; Mrs. Agnes Davis, Mrs. Norina Herndon; Miss Kay Combs and Henry Beyer.

Unable to attend but sending gifts were Messrs. and Mesdames Roy A. Springett, Russell Dilley, Ronald Varney and James Scykowny.

Mrs. Tillett, who lives in San Rafael, also gave a miscellaneous for her sister at her mother's home in Corte Madera. The table was decorated with pink roses and the cake adorned with white roses and love birds was inscribed, "Best Wishes Gloria and Howie."

Guests were Mesdames Collin Menzies, Earl Moon, James Langdon, Edward Bishop, Larry Ortman, Cecil Albin and M. A. Ward and Miss Patsy Amman. Not present but sending gifts were Mrs. John Welch and Mrs. Robert Paine.

Sunday evening Howard's aunt, Mrs. Charles Lascy of Mill Valley, entertained at an engagement party attended by the young couple and their relatives.

In the patio suspended over a table decorated with pink and white gladioli was a white and gold "Kissing Ring."

Guests were Messrs. and Mesdames Lascy, Groth, Norman Ortman, Fedotieff, Culpepper and Kenneth Ortman, Mrs. Davis and Mr. Beyer.

## A Barbecue In Redwoods

A large group of relatives and friends were entertained at a barbecue Saturday night by Mrs. James H. Donnelly in the redwood grove of her San Rafael home. Barbecue chefs were Leo Diner and Ralph Raymond.

Among the guests were Mr. and Mrs. Diner, their son, James Paul (J.P.), their son-in-law and daughter, Mr. and Mrs. John E. (Jed) Donohoe (Adrian Diner), who are staying at the San Rafael home of Mr. and Mrs. Chapin Day while they are in the East, and their baby, Laurie; Mrs. Arthur Barsuglia (Mrs. Diner's mother); Mr. and Mrs. Edward Day and son, Donald; Mr. and Mrs. Perry Lamson and daughter, Jocelyn; Mrs. Geneva Rapuano, daughter Sallee and son Skip; Mrs. Frank S. Holland; Mrs. Florence Donnelly; Misses Elizabeth Mullen, Frances Ridge, Helen Grossman, Nancy Hatcher, Eileen and Sheila Donnelly, Messrs. Ralph Raymond and Roy Barsuglia.

## Missionary Finds Her Work In Kenya

By FRANCES FAIRHALL

NAIROBI, Kenya (AP)—Miss Lillian Blewitt has been in Kenya eight months, and she's decided to devote the rest of her life to missionary work in East Africa.

"I shall never return to America unless God calls me back, and I am prepared to finish my life here," says 45-year-old Miss Blewitt of Bellerose, N. Y.

Stricken with polio when only three years old, she is confined permanently to a wheel chair. But despite her handicap, Miss Blewitt didn't think twice when she received a letter last October from family friends, the Rev. and Mrs. John Twyler Ludwig, urging her to join them. They run a mission school for African girls at Ruarka, in undulating, dusty bush country some miles north of Nairobi.

"The Ludwigs had been asking me to come to Kenya for the last 20 years, but this time I knew I must go," she says. "I had no money for the fare, no means of support when I got here and had no teaching experience or qualifications—but nevertheless, here I am."

The Ludwigs, who have been missionaries in East Africa since 1927, when Nairobi was a shantytown, have been extending their school for African girls for the last 10 years.

Before this they were attached to the Church of God Mission in the humid heat of Kisumu on the shores of Lake Victoria. But when Mr. Ludwig, now 78, reached retirement age, he was advised to go home.

The Ludwigs' answer to this was to accept 10 acres of land offered by a wealthy Nairobi hotelier, and to start a school for African girls, independent of any financial help from missions or the government.

Over the years the Ludwigs and their friends both in America and in Africa have given enough to take care of about 70 African girl boarders from 11 to 18 years old, from all parts of the Colony—which is about twice the size of the British Isles—and for a qualified teaching staff, mostly Africans.

Until they are 16 the girls get a general education, but for the following two years they are taught domestic science by Mrs. Ludwig, 70, who is a qualified nurse and domestic science teacher.

Throughout their schooling the pupils are given religious instruction by Miss Blewitt.

Her wheel chair is no longer a transport problem, despite the rough tracks which link the school's 21 separate buildings. About 10 of the girls hoist Miss Blewitt's chair shoulder high and carry her from classroom to classroom.

"Perhaps I've been naive in believing everything I've ever been told about Africa, but now I find it's just how I imagined it," Miss Blewitt says.

She sees Kenya's present uneasy political situation "as something which goes on around me but which I don't know much about.

## POINT REYES GIRL SOON TO MARRY

Mr. and Mrs. Clifford Phillips of Point Reyes Station are announcing the engagement of their daughter, Billie Ruth Phillips to Robert F. Bertrand.

The bride-elect, sister of Mrs. Cyrus Beaver of Vallejo and Clifford Phillips, is a graduate of Tomales High School and attends the Marinello School of Beauty Culture in San Rafael.

The future benedict is the son of Mr. and Mrs. David G. Bertrand and the brother of Therese Ann and Edmond Bertrand, all of San Anselmo. A graduate of Sir Francis Drake High School, he served four years in the Coast Guard and is a Marin County deputy sheriff.

The wedding will take place Sept. 25 at Sacred Heart Church in Point Reyes.

### Supporter Anchors

The woman who never has enough supporter anchors on her foundation garment can stop grouching. She can place as many supporters as she wishes when her garment has MULTI-gart rings attached to each leg. The continuous vented ring of stretch fabric allows for simple insertion of supporter or garter tabs at one-inch intervals.

## Doyle-Klingler Rites Held In Tiburon

Two vases of white stock and gladioli were at the altar of St. Hilary's Church in Tiburon when Judith E. Klingler of Santa Venetia became the bride of Malcolm Doyle of Mill Valley.

Rev. William Boyle officiated for the recent 2:30 o'clock ceremony.

The bride is the daughter of Mr. and Mrs. Jack Russell Klingler of Santa Venetia, and the bridegroom, son of the late Mr. and Mrs. Larry Doyle.

Given in marriage by her father, the bride wore a full length white gown with overdress of Chantilly lace fashioned with scalloped neckline and long sleeves. Her shoulder length veil of illusion was held by a seed pearl coronet and she carried a cascade bouquet of white carnations and white orchids.

Charlene Klingler, as maid of honor for her sister, wore a gown of green crystalette over taffeta with bell skirt and scoop neckline. She had matching bandeau and shoes and carried a bouquet of pink carnations with a green streamer to match her ensemble.

Mary Gallegos and Mrs. Sharon Hill as bridesmaids wore gowns styled like the maid of honor's in pink. They carried bouquets of pink carnations with pink streamers.

Little Melinda Shatwell, daughter of Mr. and Mrs. Robert Shatwell of Novato, was flower girl. She wore a taffeta dress with pink nylon overskirt and pink lace accenting the neckline and sleeves. Her bandeau was of pink and white carnations and she carried a basket of pink and white carnations.

James Schiener acted as best man and escorting guests to their seats were Richard Barber and Frank Cummins.

A reception followed the ceremony at 223 Golden Gate Avenue in Belvedere.

For a wedding trip to Carmel, the bride wore a blue suit with blue hat and white accessories.

For her daughter's wedding, Mrs. Klingler chose a beige lace sheath with matching coat and accessories and orchid corsage.

The bride was graduated from San Rafael High School and is the sister of Charlene, John and Ron Klingler of Santa Venetia and granddaughter of Mrs. J. R. McCauley of San Francisco, and Mr. and Mrs. John F. Klingler of Davenport, Iowa.

The bridegroom was graduated from Tamalpais High School and served in the U. S. Army. Mrs. Don Ongaro of Tiburon is his sister. He is the grandson of George Vaundell of Mill Valley.

The newlyweds will make their home in San Rafael.

### Table Tip

Do you use place mats on your dining table? Be sure to place their edges as near the edge of the table as possible.

## She Admires American Newswomen

Inger Lise Christensen is a veteran Danish journalist, but she admits she's scared to death of American women reporters.

The reverse should be true, for Inger Lise speaks three languages, has worked for the French Agency Press and The Associated Press in Copenhagen, and has friends among the great all over the world. She's now with a Scandinavian airline.

Reticent by nature, and completely unassuming about her own career, Inger Lise feels American women reporters are "so competent and informed they make me feel afraid."

The invitation to address the recent annual conclave of Theta Sigma Phi, women's honorary journalistic fraternity, overwhelmed her too. As the first woman from overseas to make the main address, she felt uneasy at being an "expert" on newspaper work abroad.

"When they organize a business, a welfare project, an association, they organize a woman's affair. In Denmark, the women journalists simply become members of the already-existing all-male journalists associations." Inger Lise says the apprenticeship system is a requisite for a job on a provincial paper rather than journalistic education. The apprentice is thrown into all types of newsgathering, from deaths to needlework.

Only journalistic course available, at the University of Aarhus, is given after the student has had at least two years apprenticeship.

## Koret Collection To Be Shown At Fashion Focus, On Aug. 9

The nation's fashion press are acclaiming the 1960 Stephanie Koret collection for fall as "her greatest."

On Tuesday, Aug. 9 at Rickey's popular Fashion Focus luncheon, the public will be able to see for the first time what the fashion critics are raving about.

In a fashionable salute to Stephanie Koret, San Francisco's distinguished designer, the 12:30 fashion showing will be called "Correctly Koret." Young mothers, grandmothers, collegians, business girls, in fact "girls of all ages" will find it is easy to be "correctly Koret" if you feel young and think young.

Proving that life simply breezes along when you're a Koret devotee will be an effortless, easy wordrobe that rides anywhere, anytime without a worry or a wrinkle to be mixed or matched, coordinated or separated, but always colorful, classic and captivating.

By this fall of 1960, the success story of Stephanie Koret has become legend. Suffice it to say that it began in a one room loft in San Francisco and through the designing skill of Stephanie Koret, Koret of California has become the largest manufacturer of women's sportswear in the world, with representatives and branches throughout the world.

Seen for the first time on Tuesday will be the plaids, and the plains, the pleats and the pants in woolens, knits, jersey, all telling the Koret story for fall.

The town or country girl, the car-pool mother, the afternoon bridge player, the skier or the hostess at home will feel that Stephanie Koret has created her fall collection especially for them. If it's easy on the eye, the upkeep, and the pocketbook, and designed by Stephanie Koret, Tuesday guests will discover it is "Correctly Koret."

The tempting look that says "Holiday, 1960" will put in an advance appearance as a special treat for the Fashion Focus audience.

Reservations for first Fashion Focus luncheon since it's July vacation may be made by calling Rickey's. Luncheon is open to the public and begins at 12:30.

THE '60 FASHION collection of San Francisco designer Stephanie Koret, above, will be previewed on Aug. 9 at Rickey's popular Fashion Focus Luncheon. The Koret story will be told in plaids, woolens, knits and jerseys.

# A Doctor Advises— Let Kids Get Mad

By DOROTHY V. WHIPPLE, M. D.

The bell gongs through the street.

Laura looks up from her blocks.

"Ice cream?" she says expectantly. She jumps up and runs to the door.

"No," says mother. "It's almost supper time, no ice cream this afternoon."

The tears well up in Laura's eyes.

"I want ice cream now."

"No, dearie, not today."

Laura stamps her foot.

"You're bad. You're a bad mommy. I hate you."

"I know it makes you feel mad at mommy. I know you would like the ice cream and it makes you angry when I must say no."

Life is full of frustrations for little folk. No one can grow up and have every single wish granted. Part of growing up is learning how to cope with frustration.

Frustration brings anger, bitterness, resentment. This is natural and normal. It is normal for a little child to be angry when he cannot have what he wants right now. But so often we teach a little fellow to deny his anger, especially anger towards parents.

Parents have to stand as authority. Parents not only give love and comfort to a child, but they must also deny him or sometimes enforce what the child doesn't want. This is part of the job of parenthood.

But when a child shows his normal resentment against authority, often the parent is shocked and scolds the child. Before long the child learns it's safer to hold in the anger. When he does express it he is made to feel guilty and bad for doing so and this in turn builds up more anger. When anger is hidden inside it accumulates, it grows bigger and bigger and may spill over into anger against all restraint, anger against all people.

It's healthier for the child to be helped to express anger and bitterness. Let him know you understand how he feels, that you don't blame him for feeling bitter that he cannot have ice cream. If he gets his anger expressed, without being made to feel guilty about it, it's over and done with and doesn't build up inside to add fuel to the next frustration—anger episode.

A child who is able to express his normal anger is free to love. Stored up anger poisons love—expressed anger leaves love free to be felt and expressed too.

Understanding of feelings, but control of actions—this is a far healthier plan than denial of a natural normal emotion. Understanding and control will give Laura the security she needs to build up her own self control and not interfere with her ability to love.

AN OFFICIAL VISIT will be made by Mrs. E. Bennett Gandy (above), president of the Department Association of Ladies Auxiliaries of Patriarchs Militant to the Auxiliary of Canton San Rafael 39.

## OFFICIAL VISIT TO AUXILIARY

Mrs. E. Bennett Gandy, president of the Department Assn. of Ladies Auxiliaries of Patriarchs Militant, will make her official visit to the Ladies Auxiliary of Canton San Rafael 39 at the I.O.O.F. Temple, San Rafael on Sunday, Aug. 21. The 9:30 a.m. business session will follow at 7 o'clock breakfast. A picnic lunch will be served at 12:30 p.m.

On the breakfast committee are Mr. and Mrs. Kenneth Irwin and Mr. and Mrs. James Williams.

# Play It Real Cool In Summer Months

By VIVIAN BROWN

Keep cool if you'd look pretty this summer.

A game of sports such as tennis or golf needn't put you in the hot, perspiring class when the mercury soars. There are ways of beating the heat, and young people should employ them.

Dress comfortably. If you wear foundation garments, be sure they are light and not restricting. Launder them often as the human body can produce a gallon of perspiration on a single sweltering day. All aesthetic reasons aside, perspiration must be washed from foundation garments so their efficiency will not be weakened.

Wear well-fitting, but not tight-fitting, clothes made of porous fabrics. Cotton and linen or blends of these with some synthetic fibers will serve you best in dress. Young girls look lovely in crisp cottons.

A bath is an effective cooler in summer. Even if you shower right after your swim or game of badminton, climb into a bath for sheer relaxation. A warm bath will cool you off quicker than a cool one. Pat yourself dry. Pat some good quality witch hazel over your body for a lovely cooling sensation. This is particularly effective if you have been out in the sun. Some people find it helps speed up the tan and allays peeling of the skin.

Use makeup sparingly. A young person who is healthy can get along with lipstick and perhaps a little powder during the summer months. Heavier makeups — foundation cream or perish the thought, rouge, will bring your glamor stock down as the heat soars.

Sensible diet is important in summer. Combine hot and cold food — meats, vegetables, light salads, fresh fruit, and plenty of dairy products. Don't limit yourself to cold foods.

If you go riding in a convertible car, wear a hat with a brim, preferably one that ties under your chin. This will help keep your face cool. Wear sunglasses. If the sun is beating down, a light cotton jacket may keep you cooler than a sleeveless dress.

An invitation for a sailboat or power boat ride requires advance preparation. You'll need slacks or a long dress to protect your legs, and a straw bonnet to keep the sun from scorching you.

If the program calls for swimming, with dancing later, you should find out where you can shower, bathe, shampoo your hair and make up in comfort after the swim. Chances are, without freshening up, you will not look like his dream girl when he takes you home.

Young people do not loll for hours on the beach soaking up the sunshine as their older sisters did. An even tan can be had by careful sunning. The order of the day is the late afternoon swimming party with beach picnic to follow.

## Sister Act: Stone Houses

CAMBRIDGE, Md. (AP)—Meet two ladies with a lot of heave and ho.

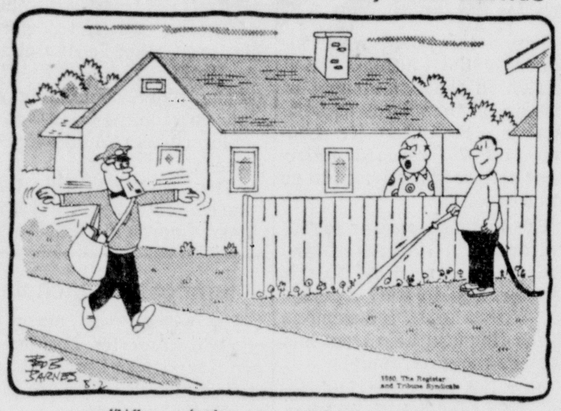

Middle-aged sisters Mrs. Dorothy Fuchs and Mrs. Sarah Hyatt have turned a knack for rocks and cement into not one, not two, but a half dozen handbuilt stone houses.

Their handiwork, along with assorted outbuildings, stands sturdily on the farm of their 88-year-old parents, Mr. and Mrs. James F. Richardson.

Dorothy built most of her own fieldstone house. Sarah recently put together singlehanded a 30 by 60 foot garage and workshop. The sisters also have laid concrete walks and installed stone fireplaces and planter boxes for their families. Their father taught them how to use leverage to haul and lift big stones. To get big rocks into high positions, they lean a plank against the right spot and work the stone upward on it and into place.

But the ladies know when to claim a woman's prerogative as the weaker sex. When they run into something too heavy to handle, they call on their brothers or sons to lend a hand.

THE BETTER HALF By Bob Barnes

"Why can't that guy ever deliver an air mail letter without hamming it up?"

## Tex Brownlee To Call For Hay Balers

A square dance will be sponsored by the Hay Balers of San Anselmo for the fun of dancing to the calling of Odessa, Texas's Al "Tex" Brownlee.

The event is Friday, Aug. 6, at Davidson School gym, at Lindaro and Woodland Streets, San Rafael, from 8:30 to 12 p.m.

In charge of refreshments is Mrs. Vera Mooney, with the aid of chairman, Mrs. Rosemary Walker. Decorations will be displayed under the direction of Mrs. June Foppe, the theme being connected with Mr. Brownlee's home state of Texas. Mrs. Dorothy Allen is in charge of hospitality, and Mrs. M. E. Wallace, publicity.

## Fiddle Footers Dance Saturday

"The Fiddle Footers Square Dance Club of Novato invite and welcome all square dancers to attend its Saturday night party dance.

The dance will be Aug. 6, and will start at 8 p.m. It will be held at IDESI Hall, Sweetser and Machin Avenues, Novato.

The theme will be Hawaiian. Joe Johnson will be calling for an evening with fun and dancing.

Refreshments will be served by the party committee: Messrs. and Mesdames Clyde Adams, Gordon Blom, Stan Crandall, and Henry Chiosi.

Earl Janda was recently elected new secretary-treasurer.

### Stocking Colors

Stocking colors for fall reflect the new concept of color coordination. Jet brown blends black and brown; black amethyst, a gem tone, is for wearing with the amethyst costume. To wear with black or brown, there's green onyx.

The young couple plans a wedding in October and residence in San Francisco.

### Fashion Zone

For that fashion zone between the sport jacket and the V-neck cashmere or lambswool sweater, the British have come up with something called the "coatigan" for men. A product of the Cox Moore Co., Nottingham, the coatigan can be worn with tie, ascot or open shirt. The front is ribbed; the pocket, patched.

## Charm 'n Farmers Next Party Night Set In October

The Charm 'n' Farmers scheduled party night on Aug. 6 was canceled at the July business meeting. The next party will be a Back-to-School Hop the first Saturday of October to be held, as usual, at Davidson School.

At the meeting, held at the home of John and Kay Castle the club voted to re-elect the present slate of officers for another six months and to elect future officers for a term of one year. John Castle was elected vice president due to the resignation of Clyde Tynes. Officers retained are president, Lorin Downing; secretary, Mrs. Harold Bauer; treasurer, Mrs. Wesley Page; and publicity, Mrs. Gary Schulz.

Milt Adams, who has called for the club on a temporary basis this summer, will remain with the group.

Larry Twist, who, until his retirement this spring, called for the Charm 'n' Farmers, was honored with a party recently at McNear's Barn. Mr. and Mrs. Lew Massey, Mr. and Mrs. Bert Anderson and Mr. and Mrs. Jim Yates were in charge of the affair. There was ballroom dancing with a square or two thrown in for good measure. A midnight buffet was served. Larry was presented with a briefcase in appreciation of the six years of service he had given to the club.

## Give Swimwear A Beauty Bath

Florence Chadwick, only woman to conquer the English Channel from both sides, has had years of experience with swimsuits. And she has her own special way of taking care of them.

Here's how she goes about washing a suit:

1. Add about a capful of liquid cold water soap to approximately two quarts of cold water, running the water to work up lots of suds.
2. Soak the suit about three minutes, squeezing the suds gently through it.
3. If there are spots or deep-set dirt, remove them with an undiluted application of the soap, rubbing carefully with a soft brush.
4. Rinse thoroughly.
5. Roll the suit in a towel to remove excess moisture, then lay out flat to dry. If it's convenient, Miss Chadwick prefers to hang it up to dry at dusk and avoid direct sunlight.

### Soft Frosting

Keep fudge frosting soft and workable while using by placing the dish in a pan of hot water.

ANNE MORETTI, daughter of Mr. and Mrs. Louis Moretti of San Rafael, was recently awarded the Bachelor of Arts degree in English at Mills College.

## Libby Lewis To Be Bride On Aug. 13

St. Anselm's Church in Ross will be the setting of Laberta (Libby) Lewis and David E. Burmester on Saturday, Aug. 13. The reception following the 1:30 p.m. ceremony will take place at the Meadow Club.

The bride-elect, the daughter of Mrs. Lee Askins of San Anselmo, is a graduate of Sir Francis Drake High School. Both she and Dave, who served in the Navy for several years, attended College of Marin. They will continue their studies at San Francisco State College.

Dave is the son of Mrs. Melvin J. Duncan of Ross and Edwin Burmester of San Anselmo.

### A Mix Afoot

Now it's a mix instead of a match afoot. Margaret Jerrold, the footwear designer, produces the mixed shoes for fall. One combination called for sharp orange on one foot; purple on the other. Orange lines the purple shoe. The orange shoe is lined in purple. "Buy as many as six pairs in different colors," said the designer. "Mix or match as you please. The variations are endless."

### Planning Strawberries?

Serve springtime strawberries with tiny cups of finely granulated sugar. Leave the hulls on the berries to make dipping into the sugar easy.

## Plan To Travel As Light As Possible

By VIVIAN BROWN

Travel is a fatiguing experience. It makes no difference whether we travel by plane, train or car, the mere effort of travel can exhaust us.

We must be armed with items, quickly available, that add to our comfort enroute, yet take up a minimum of space in our traveling cases.

Practically everything now is touted as basin-washable. Soap comes in tiny handy packages for use when traveling.

Cosmetics should be kept to a minimum. You don't need an every-hour-of-the-day face cream when you are on a holiday. There should be one all-purpose type cream that can see you through your trip. This can be taken from your train case and dabbed on the face in your sleeping compartment. It can soak into your skin while you relax with a good book or give yourself a manicure.

Handy items for travel include packages of cleansing towels available in foil envelopes, small plastic individual containers of hair shampoo and bubble bath. The individual travel pack has become a rage with coffee, cream and sugar packed in the same little envelopes.

Size up your vanity table before you pack your vacation or weekend bag. Don't dump the contents of trays and drawers into your bag on the chance you'll be needing something. It should be easy to determine exactly what you will need, if you have a makeup plan that you employ for average occasions.

Such items as eyebrow tweezers, leg razor, nail file are essential and should be included first. Then come hair curlers, nail polish, lip stick, cleansing cream, powder. Do you use foundation cream? Eyeshadow? Eye liner? Be sure to include the necessary aids to your glamor. After that add the extras if you have room. You don't absolutely need a bubble bath on your vacation. False eyelashes are probably not essential to your charm. A bucket of costume jewelry won't get you more dates than a few choice pieces.

It's a good idea to make the vacation list long in advance, so that you will have the items you absolutely need, and will skip those that are excess baggage.

## Fairchild Semiconductor Buys Interest In Italian Company

Biggest news for the Fairchild Semiconductor Corp. since it opened in San Rafael is the acquisition of a one-third interest in Societa Generale Semiconduttori, a producer in Milan, Italy.

SGS was originally founded by two companies, Olivetti and Telettra, and has been turning out germanium alloy junction transistors, silicon diodes, gold bonded diodes and rectifiers for the past 18 months. Olivetti is a large manufacturer of business machines; Telettra is the largest microwave equipment producer in Italy. Ownership will now be held equally by the three companies.

Fairchild had been exploring the European market for over a year and concluded that the SGS relationship would accomplish maximum results. The Italian firm will market Fairchild semiconductor devices throughout Europe and the Middle East.

WHILE MANUFACTURING employment during the month of June was below that of the same month last year on the national level, Wells Fargo Bank American Trust Co. has pointed out that in the seven key counties of the San Francisco Bay Area there was a gain of 6 per cent for the year.

This gain was prevalent fairly generally among the widely diversified industries. Factory payrolls currently show an estimated 269,300 workers.

SEAFOODS OF MARIN, retail establishment operated by Jerry Tonelli at 511 Francisco Blvd., San Rafael in the building now shared with wholesalers Marin Seafoods, Inc. will move to its new location at 915 Lootens Place in downtown San Rafael within the month.

The new store will also feature a patio for restaurant service.

A RECENT CONTEST by Lucas Valley Dairy Co. among its drivers to promote Sunnyland orange juice, one of its affiliated lines, ended in a 45-way split. All of them passed their quotas by a wide margin.

It took a chartered Greyhound bus for the company to pay off—dinner at Sabella's, plus a visit to San Francisco for the Giants - Milwaukee night game.

# Churches Lose Exemptions From Taxes

Four Marin County churches and the Marin Jewish Community Center seem to have lost out on tax exemptions for 1960-61 because they failed to file applications before the statutory deadline.

A letter from Assessor Bert W. Broemmel was received yesterday by the Marin County Board of Supervisors saying he found himself "powerless to make recommendations" for relief, and enclosing an opinion from the county counsel's office in support.

"Any attempt to grant tax immunity retroactively would be unconstitutional," said the opinion.

The four churches are the Methodist Church of Mill Valley, Christ Church, Episcopal, of Sausalito, the Community Chapel at Stinson Beach and Trinity Lutheran Church of San Rafael.

Another communication said that the Stinson Beach Community Chapel was built by weekend volunteer labor and that "because some work was done previous to issuance of permit" two county penalties were being levied—$66.50 for electrical permit, $16 for plumbing. These were protested by Harriet M. Greene, secretary of the Stinson Beach Community Center, Inc.

"It seems unfortunate to do this when it is a community enterprise," said Supervisor Vera Schultz.

The matter was referred to county counsel to find a way to relieve Stinson Beach of penalty charges.

## Garage Founder's Estate Estimated Over $100,000

The will of Wilbur I. Thayer, founder of the Thayer Garage on Fourth Street in San Rafael, was filed for probate yesterday with the estate estimated at well over $100,000.

Thayer, was was 79, died July 21 after suffering a heart attack at his home at 157 Woodland Avenue, San Rafael.

His will, dated Dec. 11, 1959, was filed in Marin County Superior Court by Judge Leonard A. Thomas as executor.

It bequeaths $95,000 outright to his heirs: his wife, Josephine H. Thayer, $30,000; Mrs. Alica Bootnikoff of San Rafael, $25,000; Mrs. Helen Bunt of San Rafael, $10,000; Mrs. Elly Wolf of San Francisco, $10,000; Mrs. Gladys White of San Francisco, $10,000 and Jean Duffy Peters, the former wife of his nephew, Parker Thayer, San Rafael, $10,000.

The remainder of the estate is divided equally between Sunny Hills Orphanage, St. Vincent's School for Boys and the Shriner's Hospital for Crippled Children in San Francisco.

The estate includes two parcels of land, $2,500 cash and the remainder in securities.

# County Health Officer Asks Raises Schedule

Dr. Carolyn B. Albrecht, county health officer, suggested to the board of supervisors yesterday that salaries of employees drawing less than $8,000 per year be raised 10 per cent.

The board members had mentioned possibility of limiting raises to those in the under-$8,000 class.

"I would like to see lower paid employees at least get enough to make it really worth while for them," wrote Dr. Albrecht.

"The efficiency and continuing improvement of public health services in this county are constantly threatened because of the possibility of the department losing personnel who feel they cannot meet their living expenses on their current salaries."

She suggested the board consider provision under the merit system for employees who have "rendered continuous meritorious service" for a number of years after reaching the top of the pay scale.

The supervisors took Dr. Albrecht's suggestions under consideration.

## Schools, City Agree On Road

Trustees of the Tamalpais High School District have approved an agreement with the City of Larkspur to extend Doherty Drive from Henry Hall School to Redwood High School.

The school district will contribute a maximum of $16,000 for the project.

The trustees, meeting Monday night, hired a new science teacher for Tamalpais High School. He is Stanley E. Ritchie, 32, of San Rafael, who has taught three years at Mission High School in San Francisco.

SAILOR — Judy Lou Brewster, daughter of Mr. and Mrs. William F. Brewster of Inverness, has enlisted for a three-year hitch in the Navy. Miss Brewster is a graduate of Tomales High School. She was sent to Bainbridge, Md., for indoctrination in the WAVEs.

ENTIRELY without design, it was my lot to have last Monday's column fall on the same page with 136 column inches of advertising by one of the San Francisco papers.

No objection, of course. Considering that the ad was plugging some writers of great repute, whether by contrast or by accidental association I was still in good company.

It did occur to me that this was not the first time one of the city dailies had used these pages to drum up Marin readership. In fact, periodically it has been a habit with both morning papers. Certainly it should be a more effective spot than among their existing subscribers.

The Independent-Journal's coverage, by the way, is now approximately equal to the total Marin circulation of all three large San Francisco dailies combined — good reason why it is the best single advertising medium in the county, even for a competitor.

Today, Carol's mother, Mrs. Charles Davis, says, "You'd never know Carol had the delicate operation," which was one of the first of its kind performed on a small girl."

## ALMANAC

Today is Wednesday, Aug. 3, the 216th day of the year, with 150 more in 1960.

**The moon is approaching its full phase.**

**The morning stars are Mars and Mercury.**

**The evening stars are Jupiter and Saturn.**

On this day in history:

In 1492, Christopher Columbus sailed from Palos, Spain, for the new world with a convoy of three tiny vessels and not quite 100 men.

In 1914, Germany declared war on France.

In 1923, Vice President Calvin Coolidge took the oath of office from his father, a justice of the peace. This followed the death of President Harding.

In 1948, Whittaker Chambers, a senior editor of Time magazine and admitted ex-Communist, named Alger Hiss, former U.S. Department of State official, as a one-time key member of the Communist underground in Washington.

**A thought for today: President Coolidge said: "The business of America is business."**

## TIME AND TIDE

Department of Commerce United States Coast and Geodetic Survey, Western District headquarters. Times and heights of tides at San Francisco (Golden) Gate):

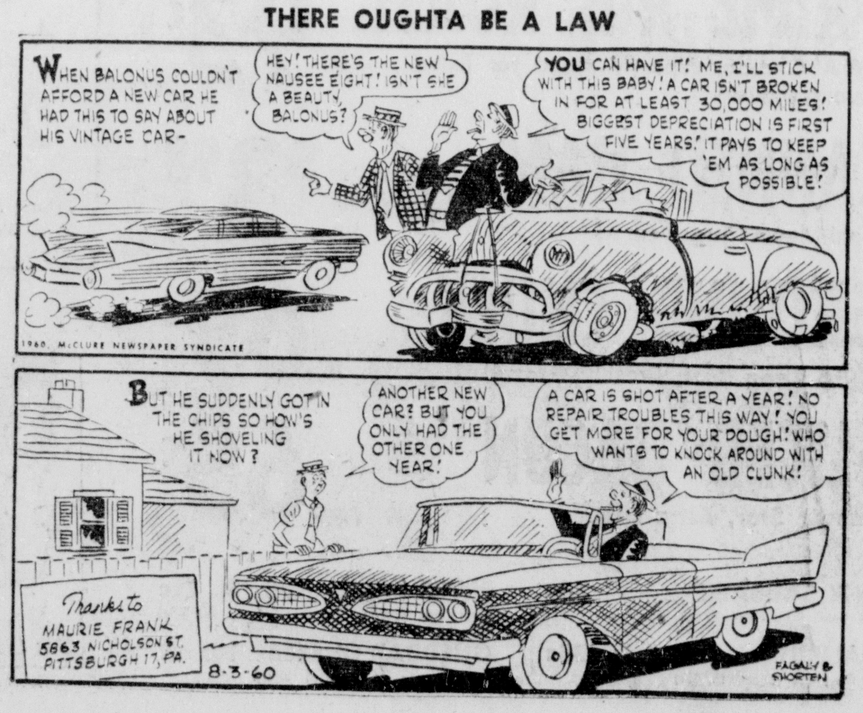

The column of heights gives the elevation in feet of each tide above or below the plane of Coast Survey chart soundings. The depths are always additive to the chart depths unless preceded by a minus sign (-), when the numbers are subtracted from the depth given in the chart. Lightface type indicates a.m. times; **bold-face type** indicates p.m. times.

# WHITEWATER BEAUTY OF THE MARIN COAST

Point Reyes lighthouse (circled) juts out into the Pacific as the furthest west point of Marin County. The lighthouse, in the windiest and foggiest location of any light on the Pacific Coast, was constructed in 1870 to help prevent the grounding of ships on the north coast runs. Visable at top left is a part of the new cement stairway that leads down from the upper part of the station down to the light. The upper portion of the station is now open to the public, it is expected that the stairway will soon be open. (Independent-Journal photos)

SEA AND SAND—The storm-washed sands of Muir Beach are shown in this view looking south toward the Marin forts and San Francisco coast. At periods of high tides and on-shore winds the beach in the picture is completely awash with white water.

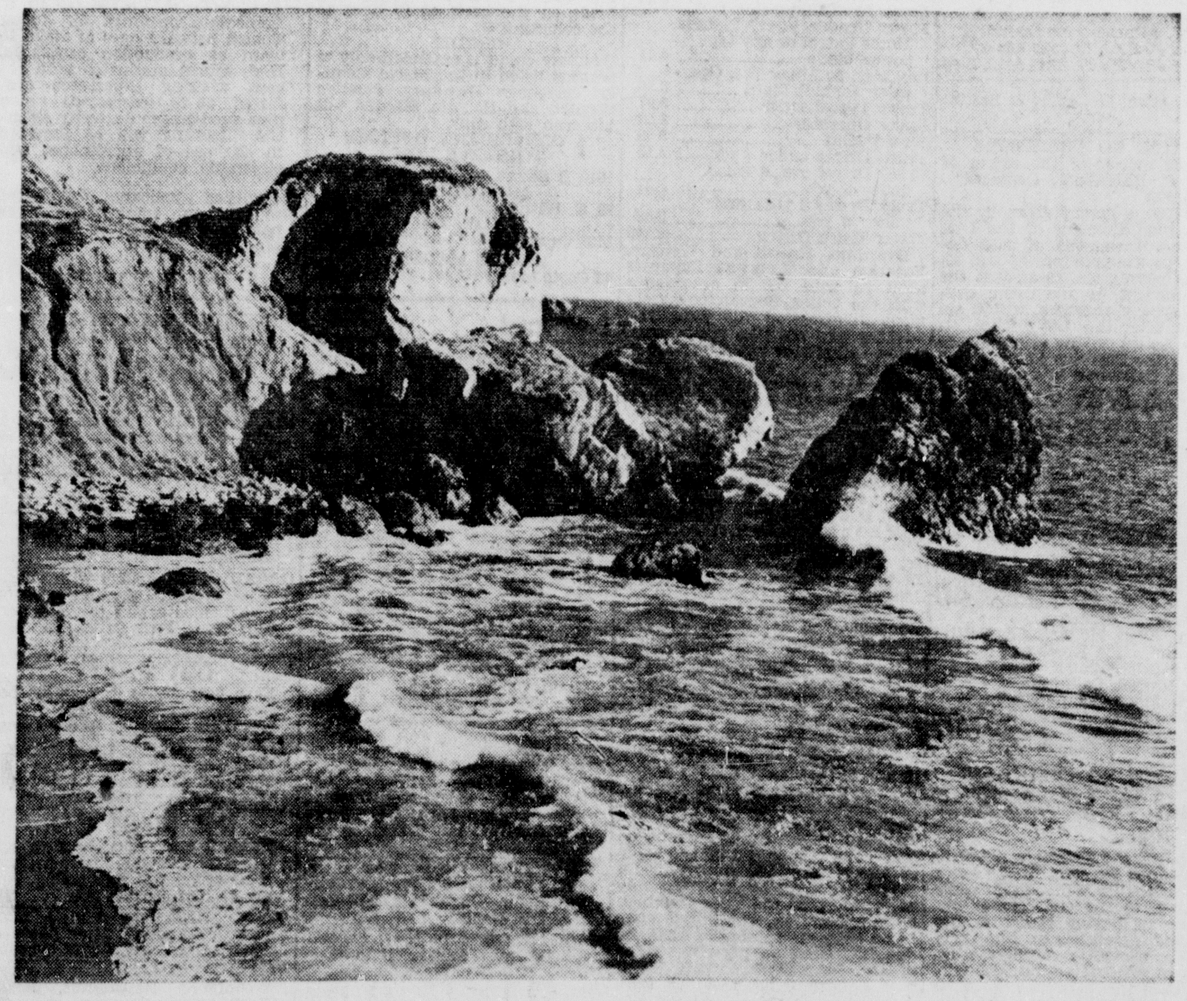

'DOUBLE POINT' — One of the "double Points" on the Marin Coast north of Bolinas is shown in this helicopter view. One of the lakes of the Lake Ranch barely shows in the upper left of the picture. This is part of the proposed national seashore recreation area recommended by various agencies for the Point Reyes Peninsula.

WHERE EARTH MOVED—Tomales bar and the Pacific Ocean in the distance are caught in this aerial view. In the foreground is Sand Point, reputedly the location of the greatest earth movements in the 1906 earthquake. Across the shallow water of Tomales bar is Tomales Point. (Independent-Journal photo)

NO COMMERCE HERE—Bear Valley Beach, looking south, is shown in this picture. The shoreline of the Point Reyes Peninsula is characterized by almost total lack of commercial development.

GATHERING PLACE—"Big Rock" at the south end of Stinson Beach is a weekend gathering place for fishermen and occasional photographers. The Stinson area is one of the more rugged on the Marin coast, something in common with dramatic areas of the Sonoma and Mendocino coasts. (Max Murrey photo)

DESOLATE STRAND—Looking north from the upper light station area at Point Reyes, this Max Murrey photo shows the desolate 15-mile strand of beach that runs in a straight line north of the point. The RCA radio station lies about half way to the curve in the beach. McClure Beach lies just behind the cliffs at top left in the picture.

## Good Manners Not Natural For Growing-Up Teenagers

"Emily Post, Emily Shmost," our daughter used to say. "I don't want to be polite."

Then she'd shake her pony-tail, stick out her jaw, and elaborate on the virtues of rudeness.

But now? Now she is the most meticulous, courteous young lady in the family. She even has a copy of Emily Post. She consults it frequently. It's a transformation.

Do your younger kids resent good manners, too? Then they're normal. Remember, they are born savages. They take what they want when they want it, and they don't care what the neighbors think. They'd rather use fingers than forks. We force them to conform, but their hearts aren't in it.

Suddenly at 12, 13 or 14 their attitude changes. They have crushes. They try to make a good impression. They're anxious to learn what's proper. If your children haven't reached this stage, be patient. If they're normal, they'll get there. Only a very small minority don't.

When they reach the point of caring, be careful. Avoid wisecracks about the change. Don't be sarcastic or you'll spoil everything. Just be ready to answer their questions. You may not know the answers. If you don't, look them up. A good book to help you is Edith Barber's "Short Cut to Etiquette." It was published by Sterling Publishing Co., 419 Park Avenue South, New York 16, N. Y.

Your teenagers may prefer to find their own answers. A man named Robert H. Loeb Jr. has written two books to help them. The book for boys is called "He-Manners" and for girls "She-Manners." Both books were published by the Associated Press, 291 Broadway, New York 7, N. Y.

**READERS' FORUM**

(Q) "My father tells me that no decent girl will admit she likes boys. I am 15. I like a certain boy real well. Does this mean that I am indecent?"

S. C.

**(A) I'd say it does not. All normal girls eventually become interested in boys. When your father was younger, girls were expected to conceal their interest. Nowadays they are frank enough to admit it.**

## Music Chest Auditions Scheduled

Marin Music Chest's scholarship auditions have been set for Aug. 17 at 1:30 p.m. at Angelico Hall of Dominican College in San Rafael, Mrs. Wallace Scott, president, announced today.

Music students between 14 and 19 years, who have studied at least two years and who are residents of Marin, are eligible for the auditions. Entry blanks may be obtained by writing Marin Music Chest, Box 468, Ross, before Aug. 10, Mrs. Scott stated.

Members of the audition board include Mrs. Scott, Mesdames Frank Howard Allen, Uda Waldrop, Harrison Lepp, Emmett Rixford, Harold Hansen, George Stephens, Howard Blank, James Wyatt, Natale Andreotti, Milton Esberg, Kitty Oppenheimer and Boyd Stewart, Miss Louise Boyd, Sister Francis Xavier, head of the music department of Dominican College, and Edwin L. Blackmore, administrative assistant to the county superintendent of schools.

The auditions will not be open to the public.

## Geronimo Group To Meet On Plan

The San Geronimo Valley Master Plan Committee will hold a special meeting at 8 p.m. tomorrow at the Woodacre Improvement Club.

The committee hopes to make a recommendation to the Marin County Planning Commission at its meeting next Monday, when the master plan will be on the agenda.

Also scheduled is announcement of results of questionnaire sent to valley property owners approximately a month ago. Mrs. Frederick Manley, committee secretary, requested those who have not yet returned the questionnaires to fill them out and take them to the meeting.

**DAILY CRYPTOQUOTE — Here's how to work it:**

**A X Y D L B A A X R**
**is L O N G F E L L O W**

One letter simply stands for another. In this sample A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

**NOTICE TO CONTRACTORS**
(Advertisement)
NOTICE IS HEREBY GIVEN THAT THE KENTFIELD SCHOOL DISTRICT will receive bids for the furnishing of all labor, materials, transportation and services for the treatment and paving of certain areas on the premises of the Adaline E. Kent School.
Each bid to be in accordance with the Plans and Specifications now available at the Kentfield District Office, 25 McAllister, Avenue, Kentfield, California, where same may be examined and copies obtained. Each bid shall be made on a form to be obtained at the Kentfield District Office, and must be accompanied by a certified or cashier's check or a bid bond for ten percent (10%) of the amount bid, made payable to the order of the Kentfield School District, and shall be sealed and filed with the Secretary of the Board on or before Thursday, August 11, 1960, and will be opened in public at or about 5.00 p.m. of that day in the District Office located at 25 McAllister Avenue, Kenfield, California.
The above mentioned check or bond shall be given as a guarantee that the bidder will enter into a contract if awarded the work, and will be declared forfeited if the successful bidder refuses to enter into said contract after being requested to do so by the Governing Board of the Kentfield School District.
The successful bidder may be required to furnish a labor and material bond in an amount equal to fifty percent (50%) of the contract price and a faithful performance bond in an amount equal to one hundred percent (100%) of the contract price, said bonds to be secured from a surety company satisfactory to the Governing Board of the Kentfield School District.
Bidders are hereby notified that pursuant to the Statutes of the State of California, or local law thereto applicable, the Governing Board of the Kentfield School District has ascertained the general prevailing rate of per diem wages and rates for legal holidays and overtime work in the locality in which this work is to be performed for each craft or type of workmen or mechanic needed to execute the contract, which will be awarded to the successful bidder. The prevailing rates so determined are as follows:

| | |
|---|---|
| Laborer | 3.045 |
| Spreader Machine Operator | 3.92 |
| Power Grader, Power Planers, Motor Patrol or any type power blade | 4.21 |
| Box Man or Mixer Box Operator Asphalt Plant | 3.58 |
| Truck Type Loader | 3.97 |
| Roller Operator | 3.92 |
| Screed Man | 3.58 |
| Truck Driver under 4 yds. | 3.13 |
| Truck Driver over 4 yrds., under 6 yds. | 3.27 |
| Truck Driver 6 yrds. and under 8 yds. | 3.48 |
| Water Truck Driver | 3.305 |

Overtime, Health and Welfare, Vacation and Travel Expenses shall be paid for in accordance with the Union-Contractor agreement in effect at the time. The working day shall be eight hours unless otherwise specified above. The per diem rate shall be the hourly rate multiplied by the numhours constituting the working day. When less than the number of hours constituting the working day, as herein stated, is worked, the wage to be paid shall be the hourly rate multiplied by the number of hours actually worked.
All skilled labor not listed above that may be employed is to be paid not less than the union wage scale for such labor and in no event to be paid less than Three and 045/100 Dollars ($3.045) per hour.
It shall be mandatory upon the Contractor to whom the contract is awarded and upon any subcontractor under him to pay not less than the said specified rates to all laborers, workmen, and mechanics employed by them in the execution of the contract.
Properly indentured apprentices may be employed upon this work in accordance with the state law. Such apprentices shall be properly indentured as called for by law and shall be paid not less than the standard wage paid to apprentices under the regulations of the trade at which they are employed. An apprentice shall be employed only at the work of the trade to which he is indentured. The initial wage to be paid an apprentice shall be not less than twenty-five (25%) of the journeymen's wage being paid and shall be increased each six months in an amount not less than fifteen percent (15%).
The Governing Board of the Kentfield School District reserves the right to reject any and all bids and/or waive any irregularity in any bid received. Unless otherwise required by law, no bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening thereof.

A WEE BIT OF ENGLAND IN MARIN!

Picture a gabled English cottage with a sturdy shake roof, leaded glass windows, too rare in today's homes, cathedral-beamed ceiling of mellowed, naturally finished wood, huge HEATILATOR fireplace, two cozy bedrooms overlooking extensive gardens of azalea, camellia, rhododendron, and many others nestled amid the groves of parklike redwoods and other stately trees. Nearly a half acre, close to shopping, bus, and schools, yet with that rare element, PRIVACY!

MANY SORTS OF CRAFTS—Strawberry boys and girls are busy these days at summer recreation program arranged by Strawberry Recreation District. Janice Kaufmann is seen making mosaic tile tray, while Elaine Alling sews patchwork apron and Sheryl Bush finishes towel in Swedish hucking. In background, Sandra Williams and Kim Gilbert cover wire coat hangers with braided plastic strips. Craft work will be displayed at open house at the school at 7:30 o'clock tonight. # Strawberry Recreation Keeps Children Busy

By CORENA GREEN

The streets of Strawberry are quiet these days. There are few window-shattering baseball games or house-shaking indoor activities. No mother need be pressured by the whining complaint "What can I do?"

The games are being played at the Strawberry Point School, where a variety of activities have been thought up, courtesy of the Strawberry Recreation District.

Operating from 10 a. m. to 4 p. m. Monday through Friday for seven summer weeks, the program is open to all school age children in the district. Special activities are planned for the various age levels. Organized games, indoor games and crafts are offered daily with additional story hours for the youngest. Every Wednesday afternoon, popular movies such as "Treasure Island" or "Dumbo" are shown. Competitive games with other playgrounds are scheduled and one of this summer's most popular events was a trip to a Giants game by bus.

Director of the program is Cal Riemcke, basketball coach at College of Marin. His assistants are College of Marin student David Moyer and Pat Cahill from San Jose State College.

Tuesday night is teen night, open to those 13 years of age and up. Games and dancing are planned for this age group and several times they have met at the Southern Marin Recreation Center for a swim before dancing.

Most popular activity is the craft program. Of the average daily attendance of 130 boys and girls, 110 have participated in some type of handcraft. Directed by Mrs. Richard De Lew of Corte Madera, the children are learning to work with leather and mosaic tiles. Many have made baskets from popsicle sticks, covered wire coat hangers with plastic strips, and mounted dried arrangements in frames.

Even embroidery has come in for its share of attention from the girls. Mrs. De Lew has taught Swedish hucking, with attractive towels the result.

Crafts are also of interest to the youngest group of kindergartners through second grade. These children have been busy making the decorations for an open house to be held at 7:30 o'clock tonight at the school. They have also made spatter print invitations to be sent home to the families inviting them to see the summer accomplishments.

The Strawberry Recreation District, which has presented such a summer program for four years, is an unusual entity. It is the only recreation district in the county and one of 20 in the state. Through taxation of the 425 homes in the area it is able to perform services similar to a municipality.

At present the district is purchasing a five-acre playfield from the Archbishop of the Catholic Church in San Francisco. During baseball season the field is used by the Little League. During the rest of the year it is open for free play.

A $155,000 bond issue will be presented to the district on Sept. 20. If it passes, the district will construct a building, tennis courts and improve the playfield, so that future summer programs will have even more to offer.

## Gate Playhouse Auditions Listed

Auditions are held every Friday from 7 to 8 p.m. for actors, singers and dancers interested in appearing with the Gate Repertory Company at Sausalito's Gate Playhouse.

With a repertoire of dramas and musicals scheduled for the fall-winter season, artistic director George Felker is in New York lining up a series of shows for the theatre. "Anything Goes!" Cole Porter musical, is onstage Fridays, Saturdays and Sundays until September when the Pulitzer Prize winning "Of Thee I Sing" and a widely-acclaimed drama on Broadway last season will open.

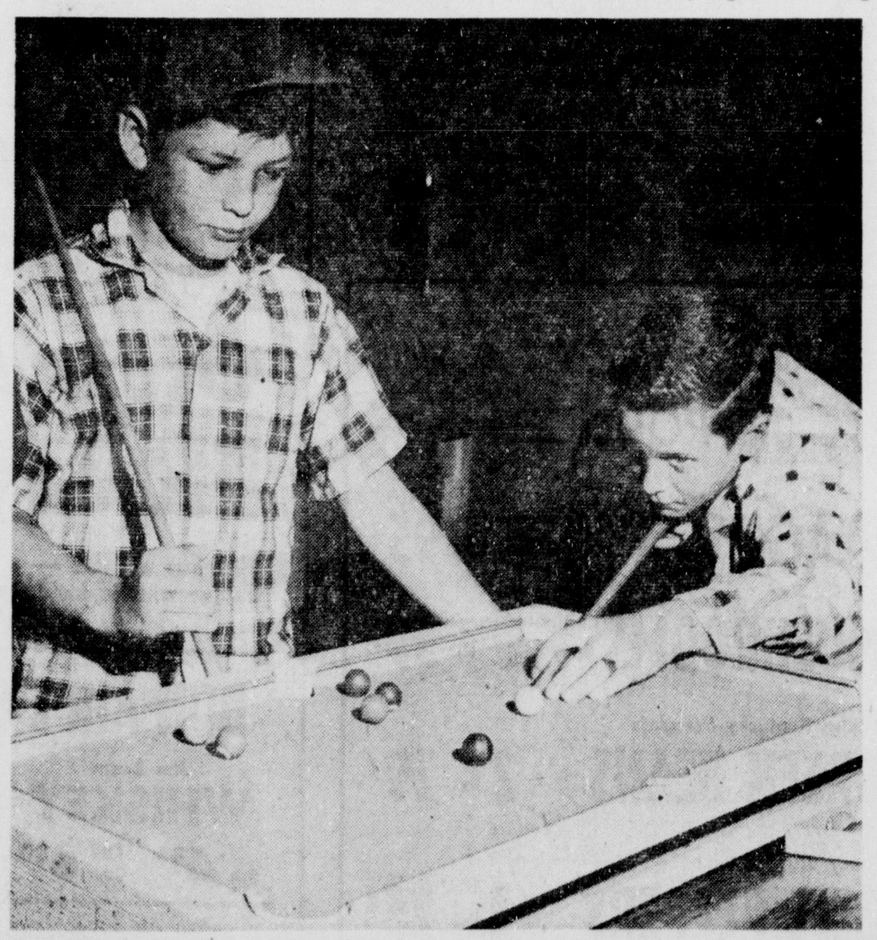

## 'Tom Sawyer' Due In Sausalito

Mark Twain's "Tom Sawyer," including all his famous characters, Huck Finn, Injun' Joe and Aunt Polly, is brought to life onstage at Sausalito's Gate Playhouse where the dramatized version is presented Saturdays at 2:30 p.m.

Directed by Jean Robinson, Tom Rudolph appears in the title role with Gordon Wood, J. W. Cheetham and Jamie Menlove in key roles. Tickets are available at the box office at performance time.

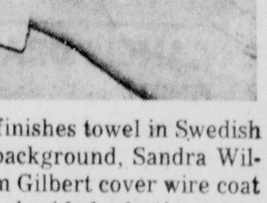

## Picnic Planned

The summer picnic and barbecue for friends and alumni of the University of Minnesota will be held Saturday on the Stanford University campus at the home of Arthur Poole, 665 Gerona Street.

FIVE BALL IN THE CORNER POCKET—Steve Petrakis and Richard Geissinger engage in a friendly game of pocket pool at Strawberry Point School. It's part of the Strawberry Recreation District's summer program. Also offered are table tennis, horse shoe pitching, softball, movies, etc. (Independent-Journal photo)
